Indiana Hands & Voices Presents
The Early Hearing Detection &
Intervention Family Conference

HANDS &
VOICES™

October 11, 2014

Jameson Camp

2001 Bridgeport Rd.
Indianapolis, IN 46231

KEYNOTE:

Carla Zimmerman is a speech language pathologist and LSLS certified auditory verbal therapist, and the president of Zimmerman Speech & Hearing in Tempe, Arizona. Her years of experience with children who are deaf and hard of hearing have given her thousands of hours of observing when things are working, and when they are not; her passion is to unravel the puzzle of what isn't working for a child, and then to work with the parents and child to turn things around. Carla endeavors to guide each of her students to be the very best that they can be. Her students include four Graeme Clark Scholarship recipients. As an Assistant Professor in the Doctor of Audiology program at A.T. Still University, she strives to instill in future audiologists the passion for excellence for all their pediatric patients through a team approach. She helped to establish the Arizona chapter of Hands & Voices, and she continues to serve on the board. Carla currently resides in Gilbert with her husband Joe, their beagles and school of goldfish.

IF YOU HAVE A CHILD WHO IS DEAF OR HARD-OF-HEARING, THIS IS A CONFERENCE YOU DON'T WANT TO MISS!

The Early Hearing Detection and Intervention Family Conference is for all family members and caregivers caring for children with diagnosed hearing loss.

Attendees will:

- Meet other families who have children with hearing loss
- Network with professionals who work with deaf and hard of hearing children
- Identify state and national resources available
- Increase knowledge of audiology
- Learn more about Indiana Hands & Voices™
- Learn new strategies to facilitate communication

“What works for your child is what makes the choice right.”

For families traveling from out of town, we are excited to be able to provide on-site cabins free of charge.
