WASHINGTON, November 22, 2013 – Intevation Food Group, LLC, a Plover, Wis., establishment, is recalling approximately 156,924 pounds of frozen chicken fettuccine alfredo products because of misbranding and an undeclared allergen, the U.S. Department of Agriculture’s Food Safety and Inspection Service (FSIS) announced today. The products contain egg, a known allergen, which is not declared on the product label.

The products subject to recall include: [\[View Label \(PDF Only\)\]](#)

- 18-oz. trays of “OMAHA STEAKS, 2367 Chicken Fettuccine Alfredo,” bearing the establishment number “P-39949” inside the USDA mark of inspection.

The products were packaged and produced on various dates from May 11, 2012, through October 8, 2013, and were shipped to distributors in Nebraska for further distribution through retail and internet/catalog sales. The products may also be identified by the case codes 9502367 or 9802367.

The problem was discovered by the company during an internal label review. FSIS and the company have received no reports of adverse reactions due to consumption of these products. Anyone concerned about a reaction should contact a healthcare provider.

FSIS routinely conducts recall effectiveness checks to verify recalling firms notify their customers of the recall and that steps are taken to make certain that the product is no longer available to consumers. When available, the retail distribution list(s) will be posted on the FSIS website at http://www.fsis.usda.gov/wps/portal/food/food_safety/topics/recalls-and-public-health-alerts/current-recalls-and-alerts.

Consumers and media with questions about the recall should contact the Customer Care Hotline at (877) 789-7117.

Consumers with food safety questions can “Ask Karen,” the FSIS virtual representative available 24 hours a day at AskKaren.gov or via smartphone at m.askkaren.gov. “Ask Karen” live chat services are available Monday through Friday from 10 a.m. to 4 p.m. ET. The toll-free USDA Meat and Poultry Hotline 1-888-MPHotline (1-888-674-6854) is available in English and Spanish and can be reached from 10 a.m. to 4 p.m. (Eastern Time) Monday through Friday. Recorded food safety messages are available 24 hours a day.

USDA Recall Classifications	
Class I	This is a health hazard situation where there is a reasonable probability that the use of the product will cause serious, adverse health consequences or death.
Class II	This is a health hazard situation where there is a remote probability of adverse health consequences from the use of the product.
Class III	This is a situation where the use of the product will not cause adverse health consequences.
