RE: Centerplate @ NCAA Variance Application # 352011

Mr. Infantino,

Your request for a variance has been reviewed by the Variance Review Committee. It has been determined that the process and equipment described in the request can be accommodated under the provisions of 410 IAC 7-24, The Retail Food Establishment Sanitation Requirements, and does not need to have a variance.

Please feel free to contact me if you have further questions or to discuss the matter.

Sincerely,

A. Scott Gilliam, MBA, CP-FS, Director
Food Protection Program
