Out-of-State Care

Treatment received outside of the State of Indiana. All out-of-state care must have a prior authorization. Emergency room visits must be related to the eligible medical condition and must be reported to CSHCS within five (5) days of the visit.

The following contiguous areas are available for in-state service with an authorized linkage or prior authorization (PA): Louisville, KY; Cincinnati, OH; Harrison, OH; Hamilton, OH; Oxford, OH; Sturgis, MI; Watseka, IL; Danville, IL; and Owensboro, KY.

Payer of Last Resort

The Children’s Special Health Care Services Program is the payer of last resort for authorized services. All other insurance must be billed first for services rendered and an EOB submitted to CSHCS.

Participant

The individual receiving services from the CSHCS Program.

Primary Care Provider (PCP)

A primary care provider may be an individual doctor or clinic that sees the participant for regular visits (e.g., well child physicals) and immunizations. The PCP would also see the participant to treat minor illnesses (colds, flu, etc.). The CSHCS Program pays for all office visits, lab work, X-rays or any prescription medications prescribed by the primary care provider.

Primary Dental Provider (PDP)

May be an individual dentist or clinic that sees the participant for the basic preventive dental care to keep teeth healthy. Some services covered for routine dental care include: examinations, prophylaxis (cleanings) and fluoride treatments every six (6) months, sealants, X-rays, fillings and some crowns.

Prior Authorization (PA)

An authorization statement issued by CSHCS for services related to the eligible medical condition not provided by a linked provider. CSHCS will pay the provider after insurance has been billed. Payment for authorized services will be made only if all CSHCS policy requirements are met.

Specialized Dental Care

Specialized dental services needed to treat an eligible medical diagnosis such as cleft lip and palate. A prior authorization (PA) is required before specialized dental work begins.

Specialized Medical Care

Specialized medical services needed to treat an eligible medical condition(s) (see Appendix A). A prior authorization (PA) is required before specialized care begins.
Specialty Care Provider

A specialty care provider may be an individual doctor or clinic that sees the participant for treatment of his/her eligible medical condition(s). Sometimes the primary care doctors can also serve as the specialty care doctor. The CSHCS Program pays for office visits, lab work, X-rays or any prescription medications prescribed by the specialty care provider. Some specialty services may require a prior authorization (i.e., therapy, durable medical equipment, surgeries, etc).

Transportation Provider

A company or individual who transports an enrolled participant to and from authorized medical appointments. Family members may register with CSHCS as Travel Submitters (see Travel and Transportation, page 10).

Transition

The movement from one situation to another (e.g., hospital to home, home to school, school to college, college to living alone and from pediatric to adult medical care).

Important Information

The Children’s Special Health Care Services Program is the payer of last resort for authorized services. This means that your primary insurance or Hoosier Healthwise/Medicaid must always process the claim before billing the CSHCS Program.

Before receiving your first service under the CSHCS Program, call the Medical Eligibility/Prior Authorization Unit at (317) 233-1351 or (800) 475-1355 (Option #3) to have your child linked to their primary and specialty care providers. You should also review your medical insurance or Medicaid information with the nurse at that time to insure the information is documented accurately. Your assigned nurse will contact you upon program enrollment to assist you with identifying provider linkages, PAs, or other questions you may have concerning this program.

Before CSHCS can pay any medical bills, your providers must be enrolled as CSHCS providers and all specialty services must be either linked or prior authorized. Be sure to report any services that were received while your application was pending.
Services Provided

The CSHCS Program provides “Gap Filling” services for enrolled participants. Please make sure that all your providers are authorized through the Medical Eligibility/Prior Authorization Unit. The program may pay for medical services only after other health insurance (private or public—Hoosier Healthwise and Medicaid) has paid or denied coverage. The CSHCS Program will normally pay for the following:

- Primary Care Visits: any sick or well-child visits to a linked primary care physician office or clinic.
- Specialty Care Visits: health care visits made to a linked specialty care physician or for care related to the eligible medical diagnosis.
- Basic Preventive Dental Care Visits: any visit to a linked dentist or dental health provider for routine/preventive dental care as defined by the program.
- Specialized Dental Care Services: dental service needed to treat the eligible medical conditions such as cleft lip or palate.
- Pharmacy Services: prescriptions for medications/supplies prescribed by your physician. Over-the-counter medications are not usually covered even if the doctor writes a prescription unless the medication is the prescribed treatment for the participant’s eligible medical condition and has been prior authorized. Be sure to contact the Medical Eligibility/Prior Authorization Unit to ask if it can be covered.

Authorized Services

It is your responsibility to confirm that your provider is an enrolled CSHCS provider. This can be confirmed with the CSHCS Medical Eligibility/Prior Authorization Unit. If your preferred provider is not already a CSHCS provider you may ask the CSHCS Medical Eligibility/Prior Authorization Unit to contact your preferred provider to see if he/she is willing to enroll in the program. If you choose to obtain services from a provider who declines to become a CSHCS provider or without a linkage or authorization, you will be responsible for the bills.

Parents/guardians/family members are required to register with the CSHCS Program if they wish to be reimbursed for authorized transportation required for the participant to access medical care.

Every participant on the CSHCS Program is linked to a primary care provider, a dentist, and if appropriate to a specialty care provider. The linkage covers care provided in those providers’ offices. The linkage remains in place until either the participant requests a change or leaves the CSHCS Program, or the provider withdraws from the program.
Specialty care services (e.g., therapies, equipment, supplies, and emergency room visits) must be related to the participant’s eligible medical condition and recommended by the participant’s PCP. These services must have prior authorization from the program before those services are obtained and before reimbursement is made to the provider(s).

CSHCS will pay the Indiana Medicaid allowed rate for all authorized services. This means that, occasionally, the program may not pay the full amount that your provider bills. However, if CSHCS approves payment for a medical service, the provider must accept the CSHCS payment as final payment-in-full. You should not be billed for any balance. If you receive a bill for an authorized service, please contact the provider and ensure that he/she has billed the CSHCS Program. If this does not resolve the issue, please contact (317) 233-1351 or (800) 475-1355 (Option #3, Medical Eligibility/Prior Authorization Unit).

All providers and participants/guardians who submit claims for payment to the State must agree to be reimbursed by electronic funds transfer. This means that anyone who wishes to be reimbursed for travel by CSHCS must set up a direct deposit account (please see the Transportation and Travel Section for more detail).

**Linkages and Prior Authorizations (PA)**

A Linkage is a way to establish an authorized relationship between the enrolled participant and the medical professional.

A prior authorization (PA) is another way of saying “ask before obtaining services.” A prior authorization must be requested by the medical professional and confirms medical necessity and the relationship of the service to an eligible medical diagnosis. **If you do not ensure that services are authorized, bills for those services may not be paid.** A prior authorization is needed for most of the specialty services the participant requires. Prior authorizations remain in place for a specific time period which is normally no longer than six (6) months.

**If a prior authorization is not obtained before receiving services, the resulting bills will be the responsibility of the participant.** If the participant is referred to another provider, the family/participant must ensure that the new provider has authorization to provide those services. Below is a list of some services that require a PA.

- Inpatient services (hospitalizations)
- Equipment and supplies
- Surgery
- Specialized dental care
- Therapy (occupational, physical, speech, ABA)
- Home health care items
- Primary care received from other than the participant’s primary care provider
- Specialty care received from other than the participant’s linked specialty care provider
• Basic dental care received from other than the participant’s primary dental provider

• **Emergency room services** - the participant must notify the CSHCS program of emergency care and unscheduled hospitalizations within five (5) working days of the visit, not including Saturdays, Sundays or legal holidays. An authorization for payment may be written only after the Medical Eligibility/Prior Authorization Unit receives the discharge summary or medical notes from the emergency room visit. The **participant is responsible** for seeing that these documents are mailed or faxed to CSHCS. Only services related to the eligible medical condition(s) will be authorized for payment (contact information in Appendix E).

*If you are in doubt about whether or not a service is covered, call the CSHCS Medical Eligibility/Prior Authorization Unit at (317) 233-1351 or (800) 475-1355 (Option #3).*

**Exclusions (Services Not Covered)**

There are some services, supplies, equipment and medications that CSHCS not cover. These exclusions are listed below. **This list is not all inclusive. You may confirm that a specific item or service is covered, by calling (317) 233-1351 or (800) 475-1355 (Option #3, Medical Eligibility/Prior Authorization Unit).**

• Over-the-counter drugs (e.g., Tylenol, cough syrup, vitamins, etc.) even with a doctor’s prescription

• Over-the-counter supplies (e.g., diapers, non-sterile gloves, alcohol, tape, bleach, Band-aids, egg crate mattress covers, etc.)

• Therapy: physical, speech, behavioral, occupational, or ABA (except as related to eligible medical condition and with a prior authorization)

• Mental health services, counseling, testing and substance abuse treatment

• Emergency room visits for reasons not related to the participant’s eligible diagnosis (e.g., if the eligible diagnosis is asthma, the CSHCS Program will not cover an emergency room visit for a broken arm)

• Hospitalization for reasons not related to the eligible diagnosis

• Organ transplant surgery

• Eyeglasses, if not related to the eligible diagnosis

• Items provided by a participant’s Individual Education Plan (IEP)
Care Coordination Services

The CSHCS Program offers Care Coordination services to participants and their families. CSHCS participants with chronic illnesses or disabilities often have complex medical, educational, social and vocational needs that require a wide range of services. The number of providers and agencies involved can be overwhelming to the participant/family. CSHCS Care Coordination staff will be available to assist participants/families in their efforts to understand the medical home concept and to ensure that the participant/family receives appropriate, comprehensive family-centered care.

Care Coordinators will be contacting all new participants/families to discuss the needs and priorities of the participant/family and attempt to link families with appropriate community resources, providers, and agencies to assist them. Referrals outside medical needs might include referrals to food pantries, housing, school related services, as well as information on support groups and connections to other family support organizations within Indiana.

To speak with a CSHCS Care Coordinator call (317) 233-1351 or (800) 475-1355 (Option #7).

Insurance

For the CSHCS Program to consider payment for a specific service, you must follow the rules for your primary insurance coverage. To utilize CSHCS benefits, the participant must:

1. Learn about the benefits of your primary insurance company. CSHCS will not pay for a service that the insurance company has denied because the participant did not follow the rules. For example, claims that are denied by your insurance company because the service was provided out of network will also be denied by CSHCS. Payment for these services may be the responsibility of the participant.

2. Upon receipt of this packet, call the Medical Eligibility/Prior Authorization Unit (317) 233-1351 or (800) 475-1355 (Option #3) regarding your primary insurance/Medicaid to ensure that the information is documented accurately. Report all changes regarding your insurance coverage to providers and the CSHCS program as soon as they occur. Failure to disclose insurance benefits may result in individual claims being denied or the participant being removed from the CSHCS program.

3. Inform your providers to bill all other medical insurance first. This includes Hoosier Healthwise, Medicaid, and Medicare in addition to private insurance. CSHCS should then be billed with an EOB (explanation of benefits) attached to the claim.

4. If your other insurance requires a prior authorization for a service, it is the responsibility of the participant to get that PA before the service is rendered. If the insurance denies a service because the participant did not get prior authorization, CSHCS will also deny the claim and the bill will remain the responsibility of the participant.

5. CSHCS may ask you to appeal denials by your insurance company. It may be that the insurance company requires more information. Please cooperate with any request made by your insurance company for further information. CSHCS will not approve any claim that is still pending with your insurance company or a claim that was denied by your insurance company due to incomplete information.
6. CSHCS will cover all or part of the participant's deductible and/or co-payments (up to the total reimbursement limit) for each instance of a service authorized by CSHCS.

Remember, it is important to seek services from CSHCS providers. These providers should not bill you for authorized services rendered. CSHCS will only pay the providers and will not reimburse the participant for deductibles, co-payments or balances that the participant pays. It is the responsibility of the participant to inform providers that bills must be sent to CSHCS within one (1) year of the date of the service. There are exceptions, but without appropriate documentation CSHCS will not pay claims that are submitted late. The participant may be responsible for any unpaid bill.

Participant’s Responsibility

You must notify the Medical Eligibility/Prior Authorization Unit if any of the following occur:

• Address or name changes
• Change of phone number
• Changes of household income or occupants
• Changes to an enrolled participant’s marital status
• An enrolled participant’s legal emancipation
• A participant’s enrollment in a residential institution
• Changes in insurance coverage (change of company, Hoosier Healthwise/Medicaid, service coverage or termination)
• Requested changes of providers
• Change of guardianship
• Parent/guardian name change (e.g., as a result of marriage or divorce)
• Emergency room visits within five (5) days of the visit
• Hospital admission within five (5) days of the admission
• The death of a participant
• You must always confirm with your provider that an authorization for services has been received.
• You must inform your provider of your primary and secondary insurance, Medicaid, and any changes or billing issues before services are rendered.
What to Do if You Receive a Bill

If you receive a bill, never assume that the provider sent you the bill by mistake. Contact the provider immediately to see why you received the bill. Make sure that the provider knows to bill your insurance company or Hoosier Healthwise/Medicaid coverage first, and then the CSHCS Program. Be sure the provider has the correct mailing address for CSHCS:

Indiana State Department of Health
CSHCS – Section 5C
2 North Meridian Street
Indianapolis, IN 46204

If the provider says that the participant is responsible for the balance of a bill paid by CSHCS, contact the Claims Unit at (317) 233-1351 or (800) 475-1355 (Option #5) immediately. CSHCS may not be able to help you if the bill has gone to a collection agency. Services that have been denied as a non-covered service by the CSHCS Program are the participant’s responsibility. There are also some services that CSHCS will not cover. Those exclusions are listed on page 7.

Transportation and Travel Reimbursement

Effective July 1, 2010, the Children’s Special Health Care Services Program has discontinued travel reimbursement for participants dually enrolled in both CSHCS and Medicaid/Hoosier Healthwise (HHW). Dually enrolled participants will need to contact their Medicaid/HHW assigned health plan to arrange transportation.

The cost of traveling to and from a network provider for approved services may be reimbursed to the parent, foster parent or legal guardian of a participant if the following conditions are met.

1. Reimbursement (money paid back to you) will be made at 50 percent of the rate established by the Department of Administration and approved by the Agency.

2. Effective July 1, 2009, the first 49 miles one-way or round trip will not be reimbursed. Only mileage that exceeds 49 miles one-way or round trip will be reimbursed.

3. Mileage will not be approved for trips in excess of 2,500 miles round trip.

4. All mileage is based on the city-to-city calculation from the Indiana State Mileage Chart and not the odometer reading from your vehicle.

5. All signatures submitted on the Travel Voucher must be original.

6. All sections of the Travel Voucher must be completed legibly.

7. A maximum of three (3) travel dates may be submitted per one Travel Voucher.

8. Anyone requesting Travel Reimbursement must have filed (one time only) completed W-9 and Direct Deposit forms (See Appendix D).
9. The CSHCS Program will not reimburse for transportation to visit a hospitalized participant, parking, meals or lodging.

State law now requires any person and/or entity who submits claims for payment by the State to be reimbursed by electronic funds transfer. This means that if you wish to be reimbursed for family travel by the CSHCS Program, you must submit information to set up direct deposit. **Information on the direct deposit process and forms required are located in Appendix D.**

Vouchers must be submitted within one (1) year of the date of travel. For example, if you traveled to the doctor on May 1 of 2013, we must have received your travel vouchers in our office prior to May 1, 2014. **Blank travel vouchers and the W-9 and Direct Deposit forms can be obtained from our website or by contacting us directly at (317) 233-1351 or (800) 475-1355 (Option #4).**

Properly signed and completed travel vouchers must be mailed to the CSHCS office:

Indiana State Department of Health  
CSHCS – Section 5C  
2 North Meridian Street  
Indianapolis, IN 46204

**Re-Evaluations**

Once a year from the date of initial application, participants are re-evaluated to determine if there have been changes in their eligibility status. The re-evaluation is required to maintain active status on the program. CSHCS will notify you by mail when you are required to submit information for your annual re-evaluation.

During the re-evaluation you will be asked to provide information on all household members income (earned and unearned) by submitting a copy of all household members latest federal tax form 1040 or other documents that can verify income. If household members do not file federal taxes, submit written documentation of all household income received (i.e., last three consecutive check stubs and a statement listing all other household income received or a statement declaring that no other income is received).

If income has changed drastically from the time taxes were filed, submit the latest tax form along with written documentation of current income (i.e., the last three consecutive check stubs or a written statement from your employer on the company’s letterhead) indicating salary. Remember, even though there will be an annual re-evaluation, the parent/guardian/participant is still responsible for informing the CSHCS Program of any changes in financial information that occur during the year.

When you receive notification of the re-evaluation, you must return the information requested by the due date in the letter. Failure to return the updated information could result in the participant being removed from the CSHCS Program. If you have any questions please call the CSHCS Eligibility Unit at (317) 233-1351 or (800) 475-1355 (Option #2).
Case Closures: Removal from the CSHCS Program

The participant may be removed from the CSHCS Program for various reasons. Some of the reasons the participant’s enrollment may be terminated:

- Failure to complete and return the annual re-evaluation packet within the required time
- Failure to provide updated income information
- Failure to utilize health insurance benefits and/or provide updated health insurance information
- Failure to provide current address information
- Failure to apply for Medicaid/Hoosier Healthwise
- Loss of state residency – participant is no longer an Indiana resident (moves out of state)
- Death of participant
- The participant has turned 21 years of age. Participants with Cystic Fibrosis are not subject to the age limitation, but must remain financially eligible

Transition

Transition is the movement from one situation to another (e.g., hospital to home, home to school, school to college, pediatric care to adult medical care, and/or from family living to living independently as an adult). It is important to know the tools and resources available to transition youth with special health care needs. Some of the systems that families understand well in the pediatric world have different rules in adult life. For example, individuals with disabilities may or may not meet eligibility for Supplemental Security Income (SSI) benefits when they turn 18. Prior to age 18, family income is considered in financial eligibility for SSI. After 18, only the individual’s income is considered.

When your child reaches adulthood, he or she will transition out of the range of school services guaranteed under the Individuals with Disabilities Education Act (IDEA). Beginning at age 14, a transition plan should be developed and updated annually for those children with an Individual Educational Program (IEP).

Youths must be ready to speak for themselves as they turn 18. Regardless of the level of disability, an individual automatically becomes his or her own legal guardian or decision-maker upon turning 18 unless legal guardianship is pursued. While most young adults with special health care needs continue to look for recommendations and support from their families, once 18, the person is able to sign legal documents and contracts. The person becomes responsible for medical care such as making own appointments, getting medicines, and requesting equipment.

Transition is the natural progression through life. There are many transitions that occur in the life of any child. Each change has some potential to be scary and bring up many questions. In busy lives, it is
sometimes difficult to stop and plan for the future. However, planning today for tomorrow’s goals is very important to actually achieving those goals.

The CSHCS Program has identified some state and national websites for your information. The websites listed below include health care, educational, employment and recreational information. It is our hope that these sites will help in all phases of transitioning from childhood to adulthood.

B. Summary of Important Information

1. The Children’s Special Health Care Services (CSHCS) Program pays for all authorized care as well as specialty care related to the participant’s eligible medical condition. It is your responsibility to confirm that your provider has received authorization for services provided.

2. You must contact the CSHCS Medical Eligibility/Prior Authorization Unit (317) 233-1351 or (800) 475-1355 (Option #3) or the TTY Number (866) 275-1274 upon receiving your approval letter for enrollment in order to link the participant with services. Payment for services will not be processed until this is done. Be sure to talk to the Medical Eligibility/Prior Authorization Unit nurse about any services received since your application was submitted to see if they are covered.

3. The program may pay for emergency care received outside the primary care physician’s office only if the treatment is related to the participant’s eligible diagnosis. You must call the CSHCS Program at the (317) 233-1351 or (800) 475-1355 (Option #3) or the TTY number within five (5) working days of receiving such emergency care.

4. Payment may be made for certain equipment related to the participant’s eligible condition with a prior authorization. Contact the PA/CC section for specific guidance.

5. Please contact CSHCS Medical Eligibility/Prior Authorization Unit (317) 233-1351 or (800) 475-1355 (Option #3) with any changes to your current medical condition or any additional complications that have been documented by your physician.

6. If you have other health insurance for your child, you are required to provide that information to the CSHCS Program. Your insurance provider will be the primary payer. This means that your insurance company must be billed first for any services rendered. You may need to submit a claim to your insurance provider yourself for some medical care, equipment or prescription drugs. If you belong to a HMO, PPO, or if your care is managed through Medicaid, you must follow their guidelines for coverage.

7. You must send any money you receive directly from your insurance company to CSHCS as reimbursement of money paid to the providers for services provided for the CSHCS participant. Failure to do so will result in your case being closed and coverage terminated.

8. All providers and participants/guardians who submit claims for payment to the State must agree to be reimbursed by electronic funds transfer. This means that anyone who wishes to be reimbursed for travel by CSHCS must set up a direct deposit account.

D. Travel Reimbursement Documents
There are two documents that a parent, guardian or participant must complete before travel reimbursement can occur and this process may take several weeks to complete. The forms that need to be completed and submitted are a Vendor Information Form and a Family Travel Voucher. These forms are included in this Appendix.

These forms may also be obtained by going to the following Federal and State of Indiana websites and printing them off or by calling the CSHCS office, (317) 233-1351 or (800) 475-1355 (Option #4), and asking to have them mailed to you.

Whenever there is a change in address or banking information, the parent, guardian or participant is required to complete and submit a new W-9 and/or Direct Deposit form. Failure to do this will result in a delay of reimbursement payments.

## Part I Taxpayer Identification Number (TIN)

Entering your TIN is the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the Part I instructions on page 3. For other entities, it is your employer identification number (EIN). If you do not have a number, see How to get a TIN on page 3.

### Note
If the account is in more than one name, see the instructions for line 1 and the chart on page 4 for guidelines on whose name to enter.

### Part II Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest and dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
3. I am a U.S. citizen or other U.S. person (defined below); and
4. The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

### Certification Instructions
You must cross out item 2 above if you have not been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must report your correct TIN. See the instructions on page 3.

## General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

### Purpose of Form
An individual or entity (Form W-9 requested) who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following:

- Form 1099-INT (interest earned or paid)
- Form 1099-DIV (dividends, including those from stocks or mutual funds)
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)
- Form 1099-B (sales of securities or mutual fund shares and certain other transactions by brokers)
- Form 1099-S (proceeds from real estate transactions)
- Form 1099-K (merchant card and third party network transactions)

- Form 1098 (home mortgage interest), 1098-E (student loan interest), 1098-T (tuition)
- Form 1099-C (canceled debt)
- Form 1099-A (acquisition or abandonment of secured property)

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

If you do not return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See What is backup withholding? on page 2.

By signing the filled-out form, you:
1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partner's share of effectively connected income, and
4. Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting, is correct. See What is FATCA reporting? on page 2 for further information.
Note. If you are a U.S. person and a requestor gives you a Form W-9 to request your TIN, you must use the requestor’s form if it is substantially similar to this Form W-9.

Definition of a person. For federal tax purposes, you are considered a U.S. person if you are:

• An individual who is a U.S. citizen or U.S. resident alien;
• A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States;
• An estate (other than a foreign estate); or
• A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax under section 1441 on foreign persons’ share of effectively connected taxable income from such business. Further, in certain cases where a Form W-9 has not been received, the rules under section 1446 require a partnership to presume that a partner is a foreign person, and pay the section 1446 withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid section 1446 withholding on your share of partnership income.

In the case below, the following person must give Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States:

• In the case of a disregarded entity with a U.S. owner, the U.S. owner of the disregarded entity and not the entity;
• In the case of a grantor trust with a U.S. grantor or other U.S. owner, generally, the U.S. grantor or other U.S. owner of the grantor trust and not the trust; and
• In the case of a trust, either the grantor trust or the U.S. grantor (other than a grantor trust) and not the beneficiaries of the trust.

Foreign persons. If you are a foreign person or the U.S. branch of a foreign bank that has elected to be treated as a U.S. person, do not use Form W-9. Instead, use the applicable Form W-8 to Form A23 (see Publication 67, Withholding on Nonresident Aliens and Foreign Entities).

Nonresident aliens who become residents. Generally, only a nonresident alien individual who is a U.S. citizen or resident alien (other than a grantor trust) and not the beneficiaries of the trust.

Example. John, an alien who is not a resident alien of the United States, is a partner in a U.S. partnership. John is not a U.S. person, and therefore, he is not subject to withholding on his share of partnership income. However, if John later becomes a resident alien of the United States, he becomes a U.S. person and is subject to withholding on his share of partnership income.

Any person who is a U.S. person, as defined in section 7701(a)(30), who receives income from a U.S. trade or business, or from property or rights in property, is subject to tax on such income regardless of the ownership of the income-producing assets. All such individuals must report their income on their U.S. tax returns.

Update Your Information

You must provide updated information to any person to whom you claimed to be an exempt payee if you are no longer an exempt payee and anticipate receiving reportable payments in the future from this person. For example, you may need to provide updated information if you acquire a corporation or a partnership, and you are no longer a tax exempt. In addition, you must furnish a new Form W-9 if the name or TIN changes for the account, for example, if the grantor of a grantor trust dies.

Penalties

Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of $50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement or certify with respect to withholding, you may be subject to a civil penalty of up to a $10,000 penalty.

Criminal penalty for false statements or certifications or affirmations may subject you to criminal penalties including fines and imprisonment.

Misuse of TINs. If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

Specific Instructions

You must enter one of the following on this line; do not leave this line blank. The name should match the name on your tax return.

Secure Your Tax Records from Identity Theft

Identity theft occurs when someone uses your personal information such as your name, SSN, or other identifying information to commit fraud or other crimes. An identity thief may use your SSN to get a job or may file a tax return using your SSN to receive a refund.

To reduce your risk:

- Protect your SSN.
- Ensure your employer is protecting your SSN, and
- Be careful when choosing a tax preparer.

If your tax returns are affected by identity theft and you receive a notice from the IRS, request right away to change your name and phone number printed on the IRS notice or letter.

If your tax returns are not currently affected by identity theft but you think you are at risk due to lost or stolen purse or wallet, questionably credit card activity or credit report, contact the IRS Identity Theft Hotline at 1-800-829-4477 or submit Form 14039.

For more information, see Publication 4562, Identity Theft Prevention and Victim Assistance.

Victims of identity theft who are experiencing economic harm as a result of a system problem, or are seeking help in resolving tax problems that have not been resolved through normal channels, may be eligible for tax help from the IRS. You may be eligible for help from the IRS. You may be eligible for help from the IRS.

You may also use email and websites designed to mimic legitimate business names and websites. The most common tactic is sending an email to a user requesting private information that will be used for identity theft.

The IRS does not initiate contacts with taxpayers via emails. Also, the IRS does not request personal detailed information through email or ask taxpayers for the PIN numbers, passwords, or similar secure access information for their bank card, bank, or other financial accounts.

If you receive an unsolicited email claiming to be from the IRS, forward the message to phishing@irs.gov. You may also report misuse of the IRS name, logo, or other IRS property to the Treasury Inspector General for Tax Administration (TIGTA) at 1-800-366-4484. You can forward suspicious emails to the Federal Trade Commission at: spam@usa.gov or contact them at www.fc.gov/idtheft or 1-877-438-4339.
