LEAD POISONING
THE SILENT MENACE...

Test Your Home. Test Your Child.

This baby may not learn to read unless she is protected from the lead dust on the floors of her home.

IS YOUR CHILD SAFE?
Call: 1.800.433.0746
This young man may have behavior problems because his mother was exposed to lead as a child.

Is Your Child Safe?

Call: 1.800.433.0746
This preschooler may fail the third grade unless he is protected from the lead dust in the home his parents are remodeling.
