Attn: Chief Food Inspection Officer

FROM: *DLG*
A. Scott Gilliam, MBA, CP-FS
Director, Food Protection Program

SUBJECT: Sunland, Inc. Recall

SUGGESTED

ACTION: Unclassified Recall; Almond Butter and Peanut Butter products, manufactured between May 1, 2012 and September 24, 2012, because these products may be contaminated with *Salmonella*; Recommend notification of affected stores via phone, fax or e-mail.

From the information provided by FDA, the recalled products were distributed in the State of Indiana. The products were distributed nationally to numerous large supermarket chains. Detail information is not available at this time. In addition, if any recalled products are found, please notify this office at 317-351-7190.

Recall -- Firm Press Release

FDA posts press releases and other notices of recalls and market withdrawals from the firms involved as a service to consumers, the media, and other interested parties. FDA does not endorse either the product or the company.

Sunland, Inc. Announces Voluntarily Limited Recall of Almond Butter and Peanut Butter Products Due to Possible Health Risk

FOR IMMEDIATE RELEASE - September 24, 2012 - Sunland, Inc. today announced a voluntary limited recall of its Almond Butter and Peanut Butter products, manufactured between May 1, 2012 and September 24, 2012, because these products may be contaminated with *Salmonella*, an organism that can cause serious and sometimes fatal infections in young children, frail or elderly people, and those with weakened immune systems. Healthy persons infected with *Salmonella* often experience fever, diarrhea (which may be bloody), nausea, vomiting and abdominal pain. In rare circumstances, infection with *Salmonella* can result in the organism getting into the bloodstream and producing more severe illnesses such as arterial infections (i.e., infected aneurysms), endocarditis and arthritis.

The voluntary recall was initiated after learning that between June 11, 2012 and September 2, 2012, twenty-nine people reported *Salmonella* Bredeney PFGE matching illnesses in approximately 18 states, including Washington, California, Arizona, Texas, Louisiana, Missouri, Illinois, Minnesota, Michigan, Pennsylvania, Massachusetts, New York, Rhode Island, North Carolina, Virginia, Connecticut, New Jersey and Maryland, according to a report issued on September 22, 2012 by the Centers for Disease Control and Prevention (CDC).

"There is nothing more important to us than the health and safety of our customers, particularly the many families who enjoy our peanut butter everyday. While FDA, CDC, and State Health Agencies investigate to confirm the cause of illnesses reported, as a precautionary step, we have decided to voluntarily recall our Almond Butter and Peanut Butter products manufactured between May 1, 2012 and September 24, 2012. If you purchased these products, do not eat them. Please return the product to your supermarket for a full refund or dispose of it."

Statement of Jimmie Shearer, President and CEO of Sunland, Inc.

The recall is being conducted in cooperation with the U.S. Food and Drug Administration (FDA).
No other Sunland products are affected by this recall.

The products were distributed nationally to numerous large supermarket chains.
