One Year Progress Report for "in the process" Level III Trauma Center

Hospitals that were granted status as an "in the process" Level III Trauma Center are asked to provide sufficient documentation for the Indiana State Department of Health and the Indiana Department of Homeland Security to demonstrate that your hospital continues to comply with the following requirements:

1. **Submission of trauma data to the State Registry**. The hospital must be submitting data to the Indiana Trauma Registry following the Registry's data dictionary data standard within 30 days of application and at least quarterly thereafter.

Has your hospital submitted trauma data to the State Registry at least two out of the last four quarters?	☒ YES ☐ NO

2. **Trauma Surgeon response times.** Evidence must be submitted that response times for the Trauma Surgeon are as defined by the Optimal Resources document of the American College of Surgeons. Also, there must be a written letter of commitment, signed by the Trauma Medical Director, that is included as part of the hospital's application. There must be evidence that a trauma surgeon is a member of the hospital's disaster committee.

There is one surgeon who responded to two Level 1 activations in 2014. He was present and at the bedside within 30 minutes in one of the cases. The second case he did not meet this requirement. After a review of this case, it was determined that the unit secretary forgot to page him. He did not have adequate notification as was required. The unit secretary was counseled. It was determined that this should not count against him.

Have your Trauma Surgeon's maintained a response time as defined by the Optimal Resources document of the American College of Surgeons since granted "in process" Level III Trauma Center status? *Provide your hospital's Trauma Surgeon response times including number of responses, response times and percentage within the required timeframe per Trauma Surgeon (documentation tool attached).*	☒ YES ☐ NO

The hospital's documentation must include a record for the previous year showing dates and length of time for each time the hospital was on diversion.

Has your hospital maintained a diversion status of less than 5% of the time since granted "in process" Level III Trauma Center status? *Provide your hospital's diversion documentation showing reason for diversion and dates and length of time for each time the hospital was on diversion (documentation tool attached).*	☒ YES ☐ NO

4. **Orthopedic Surgery.** There must be an orthopedic surgeon on call and promptly available 24 hours per day. There must also be a written letter of commitment, signed by orthopedic surgeons and the Trauma Medical Director, for this requirement.

   Critical Care Physician coverage. Physicians must be capable of a rapid response to deal with urgent problems as they arise in critically ill trauma patients. There must be prompt availability of Critical Care physician coverage 24 hours per day. Supporting documentation must include a signed letter of commitment of proof of physician coverage 24 hours a day.

Have your Orthopedic Surgeons and Critical Care Physicians maintained coverage 24 hours per day since granted "in process" Level III Trauma Center status? *Provide your hospital's monthly Orthopedic and Critical Care physician call schedules since granted "in process" Level III Trauma Center status.*	Orthopedic Surgeons: ☒ YES ☐ NO Critical Care Physicians: ☒ YES ☐ NO
