COMMUNITY INDICATORS

Protect and maintain local tobacco control coalition

infrastructure needed to combat tobacco use, as well as working with community organizations to reduce tobacco use among those groups most impacted by tobacco

Protect Hoosiers from exposures to secondhand smoke by:

- Supporting local or statewide smoke-free air ordinances for worksites, including restaurants, bars and gaming facilities
- Working toward smoke-free policies in multi-unit housing

Decrease adult smoking rates by:

- Promoting the Indiana Tobacco Quitline (1-800-QUIT NOW) throughout the community
- Working with healthcare providers to ensure they ask, advise, and refer their patients to tobacco cessation resources

Decrease youth smoking rates by

- Supporting community efforts for counter tobacco point-of-sale strategies at the local level
