

# ELECTRONIC EVIDENCE SUBMISSIONS

## What types of evidence can I submit electronically?

- Latent Print Impressions:
  - scans of lifts, digital photos, and exemplars
- Footwear and Tire Impressions:
  - scans of lifts and digital photos

## How do I submit electronic evidence?

- Via email or file sharing
- All requests must be sent to
  - **esubmission@isp.in.gov**

## What are the image quality requirements?

- Minimum of 1000ppi

## How do I fill out the Request for Examination Form?

- Start each item description with "Electronically submitted..."
- Include each file name that you will be submitting in the item description

## What are the advantages?

- No packaging of evidence
- No physical evidence to transfer
- No driving to the laboratory
- No need to create discs for digital images
- Quicker turnaround time
