INDIANA UTILITY REGULATORY COMMISSION

APPLICATION OF SWIFTECH LLP FOR A) CAUSE NO. 44711
CERTIFICATE OF TERRITORIAL AUTHORITY)
FOR COMMUNICATIONS SERVICE PROVIDERS) APPROVED:

FEB 24 2016

ORDER OF THE COMMISSION

Presiding Officer:

Marya E. Jones, Administrative Law Judge

On November 6, 2015, Swiftech, LLP (“Applicant”) filed with the Indiana Utility Regulatory Commission (“Commission”) its Application for a Certificate of Territorial Authority (“CTA”) to provide communications services, specifically telecommunications services as defined in 47 U.S.C. § 153; and information services as defined in 47 U.S.C. § 153; and described in the Application, within the State of Indiana. On December 1, 2015, Applicant amended its Application to clarify the types of communications services it intends to offer. The Commission published notice that Applicant filed an application for a CTA to provide communications services within the State of Indiana. Absent a timely request, the Application may be granted without a hearing.

Based upon information contained in the Application and applicable law, the Commission makes the following findings:

1. Commission Notice and Jurisdiction. Due, legal, and timely notice of the Application was given and published by the Commission in accordance with General Administrative Order (“GAO”) 2011-2 and Ind. Code § 8-1-32.5-9. Applicant requests the issuance of a CTA pursuant to Ind. Code ch. 8-1-32.5 and, therefore, the Commission has jurisdiction over the Applicant and the subject of this Cause.

2. Commission Discussion and Findings. The Applicant filed an application for a CTA and information describing its proposed communications services in the State of Indiana.

The Application was filed with the Commission on November 6, 2015, and an amended Application was filed on December 1, 2015, to clarify the types of telecommunication services and information services being offered. Notice of the Application was posted to the Commission’s website. No timely written request for intervention or a hearing was made by any entity during the 30-day posting period, and the Commission has not, on its own motion, determined a need for a hearing in this Cause. Accordingly, no hearing is required in this Cause.

Therefore, based upon the information provided by the Applicant in its Application as amended, the Commission finds that a Certificate of Territorial Authority for telecommunications service, specifically broadband service and fixed wireless broadband service; and information services, specifically fixed wireless Internet Protocol enabled services, proposed to be offered within the State of Indiana, should be issued to the Applicant, consistent with and subject to the following findings.

The Applicant shall comply with all applicable legal requirements pertaining to the provision of the communications services authorized by this CTA, including, but not limited to, the following:

a. **Notice of Initiation of Service.** Pursuant to Ind. Code §§ 8-1-32.5-6(b)(3)(D) and 8-1-32.5-6(a)(9)(A), Applicant shall file a notice with the Secretary of the Commission of Applicant's "in service" dates (i.e., the dates on which Applicant commences offering communications service) within 90 days of each "in service" date.

b. **Additional Filing Requirements.** Applicant shall file any other data, information, or reports required or requested by the Commission, including but not limited to information concerning the types of service offered and any information needed by the Commission.

c. **Indiana Underground Plant Protection Service.** To the extent Applicant owns, maintains, or otherwise has control over underground facilities, Applicant shall establish and maintain contact with, and provide appropriate notice to, the Indiana Underground Plant Protection Service, the designated administrator of the 811 dialing code in Indiana, and comply with Ind. Code ch. 8-1-26.

d. **Notice of Changes.** Applicant shall notify the Commission, pursuant to Ind. Code § 8-1-32.5-12, of any change involving either the Applicant or the CTA occurring after the issuance of this CTA. Such notice shall be provided using a Verified Notice of Change form in accordance with GAO 2011-2. If the change involves the provision of other types of services than those approved herein or the reclassification of a communications service approved in this CTA, additional obligations and fees may apply.

e. **Other Customer Notifications.** Applicant shall provide appropriate notice to customers when Applicant offers new communications services, discontinues communications services, and/or increases rates and charges for communications services in any of the Applicant's service areas in Indiana pursuant to Ind. Code § 8-1-32.5-11(b) and any regulations adopted by the Commission.

IT IS THEREFORE ORDERED BY THE INDIANA UTILITY REGULATORY COMMISSION that:

1. Subject to the Findings set forth in this Order, the Applicant Swiftech, LLP is hereby issued a Certificate of Territorial Authority as a Communications Service Provider to provide telecommunication services and information services as requested in the Application that is the subject of this Order.

2. This Order shall be effective on and after the date of its approval.
