Dear Secretary:

The accompanying tariff material, issued by Frontier Telephone Companies ("Frontier") and bearing FCC No. 1, FCC No. 2, and FCC No. 3, is sent to you for filing in compliance with the Communications Act of 1934, as amended. This tariff material is scheduled to become effective on February 15, 2010. With this filing, Frontier defers material filed under Transmittal No. 1 to February 27, 2010.

On February 8, 2010, Frontier filed its Transmittal No. 1 electronically. Frontier was unaware at the time of filing that the Commission was closed due to weather. Because the Commission was closed, no filings could be made on February 8. Filings made while the Commission was closed are deemed to have been made on the date the Commission re-opens, which is February 12, 2010. In order to achieve the required 15-day statutory notice that Transmittal No. 1 was filed under, Frontier defers the effective date of that material to February 27, 2010.

In accordance with the Commission's fee filing requirements, a filing fee in the amount of eight hundred fifteen dollars (\$815.00), has been paid by credit card and an electronic Form 159 has been submitted.

Dear Secretary:

On February 12, 2010, Frontier filed its Transmittal No. 2, deferring the effective date of material filed under Transmittal No. 1 from February 23, 2010 to February 27, 2010. In Transmittal No. 2, Frontier stated that Transmittal No. 1 was being deferred in order to achieve the required 15-day statutory notice. Frontier acknowledges that, because the original tariff was not filed on 15 days' notice, Frontier foregoes the deemed lawful status that would otherwise be available under §203(a)(3) of the Communications Act.
