INDIANA UTILITY
REGULATORY COMMISSION

RE: Communications Corporation of Indiana; FCC Transmittal 1284

Dear Ms. Darlington:

Attached are the IURC tariff pages for the above FCC Transmittals. The proposed tariff revisions will mirror NECA's interstate access tariff filings that were submitted to the F.C.C. with no exceptions.

Transmittal 1284 decreases the Ethernet Transport Service (ETS) monthly recurring rates for ETS Basic Ports and ETS Channel Terminations that are within 300 feet of the ETS Serving Wire Center.

(FCC Approval Date: 9/01/2010) Transmittal 1284 affects all TDS Telecom IN companies and any non-TDS Telecom companies that concur with CCI and this service. The service will be offered on both an interstate and intrastate basis.

Please feel free to contact me with any questions you may have.

Sincerely,

Kris A. Groth

Tariff Administration
