**RE: Transitional Intrastate Access Services – 30 Day Filing (Pursuant to 170 IAC 1-6) and Explanation of Compliance with FCC Requirements**

Dear Commissioners and Ms. Darlington:

Onvoy, Inc. (Onvoy) is an authorized CLEC operating in Indiana. Onvoy makes this filing pursuant to the Federal Communications (FCC) November 18<sup>th</sup>, 2011 *Report and Order and Further Notice of Proposed Rulemaking* in Docket No. 07-135 *et al.* Onvoy is proposing a 30 day tariff filing. Onvoy is choosing “FCC Option No. 1” as outlined in the May 24, 2012 Indiana Utility Regulatory Commission notice to local exchange carriers. FCC Option #1 refers to local exchange carriers establishing rates for Transitional Intrastate Access Service using its intrastate rate structure.

Included in this filing is documentation demonstrating how Onvoy arrived at the proposed intrastate access charges. This documentation has been marked “Confidential” as it contains information that is not readily available to the public. Onvoy is a privately owned company and considers the revenue figures and demand access minutes for 2011 in this documentation confidential information. Onvoy verifies that it has provided a public notice concerning this filing on its web site: [www.onvoy.com](http://www.onvoy.com) and copies of this notice and filing are available to the public at its offices at 300 South Highway 169, Suite 700, Minneapolis, MN 55426. A copy of this public notice is also included in this filing. This public notice will also be mailed to all interexchange carriers that Onvoy currently bills Indiana Intrastate access charges. The general residential and business community is not affected by this filing so no public notice published in a newspaper is warranted.
