Brenda A. Howe
Secretary of the Commission
Indiana Utility Regulatory Commission
101 West Washington St., Suite 1500 E
Indianapolis, IN 46204

Dear Ms. Howe:

Re: Thirty – Day Filing for Citizens Gas Pursuant to 170 IAC 1-6

In compliance with the Stipulation and Settlement Agreement in Cause No. 41605 (“Settlement Agreement”), Citizens Gas is requesting Commission approval of this Customer Benefit Distribution (“CBD”) filing under the Commission’s Thirty-Day Administrative Filing Procedures and Guidelines (“Guidelines”) pursuant to 170 IAC 1-6 in order to be effective January 1, 2014. This filing is an allowable request under the Guidelines because it is a filing for which the Commission already has approved the procedure for the change. Notice of Citizens Gas’ intent to make this filing was provided to the Office of the Utility Consumer Counselor on October 7, 2013.

Enclosed for your review and approval by the Commission, please find the following:

Third Revised Page No. 503 Customer Benefit Distribution

Also enclosed are supporting schedules 1 through 3 and Exhibit A.

The Settlement Agreement established the CBD for the purposes of (1) distributing to Citizens Gas customers available funds from its unregulated businesses and affiliates or subsidiaries and (2) providing a means for Citizens Gas to recover certain agreed to FAS106 and FAS71 costs incurred by Citizens Gas.

The CBD filing shows the amount of available funds Citizens Gas received during the preceding fiscal year from unregulated businesses and affiliates or subsidiaries, and the net amount of those funds that Citizens Gas’ management and its Board of Directors, by resolution, have determined will be provided for the benefit of gas customers through the CBD. The calculation of the CBD, based upon expected calendar year 2014 throughput to gas customers is provided on schedules 1 through 3.

Citizens Gas affirms that a notice regarding the filing in the form attached hereto as Exhibit A was published on November 22, 2013 in the Indianapolis Star, a newspaper of general circulation in the Indianapolis metro area, where the largest number of Citizens Gas customers is located. Citizens Gas also affirms that this notice has been posted on the Utility’s website and in the Utility’s customer service lobby.
