Re: Jackson County Water Utility Inc. – 30 Day Filing

Dear Ms. Howe,

Pursuant to Indiana Code § 8-1-2-42(a) and the Commission's Rules as found at 170 IAC 1-6-1, et seq., Jackson County Water Utility Inc. (hereinafter "Jackson County Water"), is by this letter requesting the processing of changes to certain non-recurring charges through the Commission's 30 day filing process. Specifically Jackson County Water seeks to change its current non-recurring charges as referenced on its current Schedule of Rates and Charges as follows: Tapping Fees; In Place Meter Turn On Fee; Disconnection/Reconnection Charge; Removal/Reinstall, Lock/Unlock Surcharge; General Service Charge; Surcharge for Services Outside of Business Hours; and Credit/Debit Card Payment Fees.

In support of such requested changes, Jackson County Water has provided the following: a proposed revised tariff; redlined changes to existing tariff; work papers in support of such changes (Attachments A, B, C); and a copy of the notice to customers published in the Brownstown Banner, a newspaper of general circulation published in Jackson County Water's service territory. A copy of such notice has also been posted in Jackson County Water's office.

In further support of the proposed changes, Jackson County Water has attached the verification of its general manager Mr. Larry W. McIntosh.

Approximately half of the the meter sets require a pressure regulator. A pressure regulator is installed if the pressure is over 80 psi. Approximately 50% of the meter sets are line side sets, 30% of the meter sets require a road bore less than 60 feet and are performed by Jackson Co. Water employees, 20% of meter sets require a road bore greater than 60 feet and require a contractor to perform the road bore. Jackson Co. Water installed 41 meter sets in 2013. The following is based on 40 meter sets per year.

Calculation for adjusting (g) In-Place Meter Turn-on Fee, (j) Disconnect / Reconnection Charge, (K) Removal / Reinstall, Lock / Unlock Surcharge, (l) General Service Charge, (m) Surcharge of Service Outside of Business Hours and Labor Calculation. 2 Pages Total.

Notes to changes.

(m) Surcharge of Services Outside of Business Hours charge is proposed to be \$30.00. This was determined by adding one hour of labor to the \$39.00 proposed charge. Employees get a minimum of two hours for being called out after normal business hours.

Trip Charge for turn ons, Reconnects and General Service

Truck Charge	\$10.00
Labor (One person 45 minutes)	\$21.87
Office Staff (15 minutes)	\$6.64
Door hanger	\$0.10
	\$38.61

Rounded up: \$39.00

Notes and assumptions

1. Half of our customers are less than 10 miles one way and the other half are over 10 miles one way. Average trip is 20 miles round trip.
2. Truck charge is based on Average MPG of 13 MPG and gas price of \$3.899. Remainder of truck charge is maintenance and overhead.

Disconnect Charge / Field Collections

Truck Charge	\$10.00
Labor (Two person 45 minutes)	\$43.74
Office Staff (15 minutes)	\$6.64
Door Hanger	\$0.10
	\$60.48

Rounded down: \$60.00

Notes and assumptions

1. Half of our customers are less than 10 miles one way and the other half are over 10 miles one way. Average trip is 20 miles round trip.
2. Truck charge is based on Average MPG of 13 MPG and gas price of \$3.899. Remainder of truck charge is maintenance and overhead.
3. Two person are required for disconnects and field collection for safety reasons.

JACKSON COUNTY WATER UTILITY INC. – 30 DAY FILING

NOTICE TO CUSTOMERS

NOTICE

To all customers of Jackson County Water Utility Inc.: Please take note that the Company will be discussing changes to its non-recurring charges at its board meeting on August 7 at 7:00 p.m., and thereafter initiating a 30 day filing process with the Indiana Utility Regulatory Commission to obtain authorization for such changes. The changes being considered will increase: tapping fees for new customers; charges related to disconnection, reconnection, removal, reinstallation, locking or unlocking of meters; service charges for trips to members' premises; service charges completed outside of regular business hours; charges for use of credit cards or debit cards for payment to the Company. The Company anticipates that each of the above charges will be increased in order to recover the increased costs for such services which have occurred since the current charges were put in place in 2008.

If you have any questions about the above please contact the Company at 1119 West Spring Street, Brownstown, Indiana 47220 or (812) 358-3654.

JACKSON COUNTY WATER UTILITY INC. – 30 DAY FILING

VERIFICATION OF MR. LARRY W. MCINTOSH

VERIFICATION

I affirm under the penalties of perjury that the Jackson County Water Utility Inc. Board of Directors reviewed its existing non-recurring charges and considered information from its books and records as well as information from various vendors potentially involved with various non-recurring services. Based upon such review and discussion the Board approved the proposed increases and authorized the general manager, its regulatory counsel, and its rate consultant to proceed with a 30 day filing with the Indiana Utility Regulatory Commission. Notice of the potential changes have been provided to all customers through publication in the Brownstown Banner, a newspaper of general circulation.

Larry W. McIntosh, General Manager
Jackson County Water Utility Inc.
