There are three types of communications service CTAs in the State of Indiana: Telecommunications Service, Information Service and Video Service.

If the company is authorized to provide Telecommunication Services, please complete the form below:

- I. Did the company provide any "Telecommunications Services" in Indiana during the calendar year 2025:** ☐ Yes ☐ No

If you checked "No" skip remaining questions, complete verification, and return form. If you checked "Yes" please continue.

- II. Total Indiana Intrastate Gross Revenues For Calendar Year 2025:** The term "gross revenue", as used in this chapter, shall include all intrastate operating revenue received by a public utility for the conveyance of telegraph or telephone messages or for the production, transmission, delivery, or furnishing of heat, light, water, or power, or for the collection, treatment, purification, or disposal in any sanitary manner of liquid or solid waste, sewage, night soil, and industrial waste for service directly or indirectly to the public. Provided, however, that such term shall not include revenue derived by a public utility in the sale of public utility services, products, or commodities to another public or municipal utility for resale by the latter. \$ _____

I certify that the foregoing information is accurate and is in agreement with the books and records of the utility for the year ended December 31, 2025.
