Subject: Please reverse your decision on energy efficiency

Please reverse your decision to terminate our Energizing Indiana program.
Our state has one of the worst air quality in the country and we continue to burn coal like crazy...please look towards alternative, cleaner solutions. Please listen to your constituents instead of lobbyist as this is what we want.
Cutting costs just to say you cut costs is not the solution.

Cinda Z. Terry, R.I.D.

Healthcare Project Manager, Tenant Finish

Diversity Ambassador

CareLink Ambassador
