Judge Storms and Counsel,

Attached please find Duke Energy Indiana's Reply Brief, together with its Submission and Revised Proposed Order in the above referenced case. These documents were filed electronically with the Commission this afternoon. I am also attaching a "WORD" version of the Revised Proposed Order. The Revised Proposed Order is in red-line format. The red-lining reflects changes to Duke Energy Indiana's original proposed order (including a number of changes included in the OUCC's proposed order).

Regards,

Bill
