Re: LSA Document #18-127

Dear Ms. Colclazier:

Under IC 4-22-2-28, the Indiana Utility Regulatory Commission (“IURC”) received the comments of the Indiana Economic Development Corporation (“IEDC”) regarding the rule proposed by the IURC in LSA Document #18-127, updating both the Commission’s IRP rule, 170 IAC 4-7, and the Energy Efficiency Rule, 170 IAC 4-8. The IEDC’s Comments were received on July 20, 2018, which is more than seven (7) days prior to the Public Hearing scheduled in this matter for August 20, 2018, at 1:30 p.m. E.D.T.

The IURC understands that the IEDC has no objection to the economic impact associated with this Proposed Rule and has no suggested alternatives or changes to this Proposed Rule.

Thank you for your review and consideration of this matter.

Sincerely,

Jeremy Comeau
Assistant General Counsel
