Re: LSA Document #12-442; IURC RM #12-06

Dear Mr. Shields:

Pursuant to IC 4-22-2-28, the Indiana Utility Regulatory Commission ("IURC") received the comments of the Indiana Economic Development Corporation ("IEDC") regarding the rule proposed by the IURC in LSA Document #12-442, adding 170 IAC 1-7 to establish procedures by which a municipality or certain users of the works may file a petition regarding certain rates and charges. The IEDC's Comments were received on October 17, 2012, which is more than seven (7) days prior to the Public Hearing scheduled in this matter for Thursday, October 25, 2012, at 2:00 p.m. E.D.T.

The IURC understands that the IEDC has no objection to the economic impact associated with this Proposed Rule and has no suggested alternatives or changes to this Proposed Rule. In addition, the IEDC recognized that the costs associated with this rule apply only to municipal water and wastewater utilities and their customers, and will not impose an economic impact on small businesses.

Thank you for your review and consideration of this matter.

Sincerely,

Carol A. Stephan
Assistant General Counsel
