Re: Telrite Corporation Compliance Plan; WC Docket Nos. 09-197, 11-42

Dear Ms. Dortch:

On March 12, 2012, Telrite Corporation (“Telrite”) submitted its Compliance Plan outlining the measures it will take to implement the conditions imposed by the Commission in its *Lifeline Reform Order*.<sup>1</sup> On April 10, Telrite submitted a revised version with a minor revision to its Model Application/Certification Form, included as Exhibit A to its Compliance Plan. On April 27, July 2, July 27 and November 28 Telrite further revised and supplemented its Compliance Plan.

Telrite has further revised its Compliance Plan to state that customers will receive three texts per voice minute for both the 125 minute and 250 minute Lifeline plans (p. 23) and add a “top-up” plan of unlimited talk and text for one day for \$4.95 (p.23). Nothing else in the Compliance Plan has been changed.

Telrite hereby re-submits its complete Compliance Plan with the revisions described above. Based on the minor nature of these changes, and in consideration of the extraordinary efforts Telrite is undertaking with respect to compliance programs, fraud detection and prevention, and public awareness and education, Telrite reiterates its request for expeditious

**TELRITE CORPORATION COMPLIANCE PLAN**

Telrite Corporation (“Telrite” or the “Company”),<sup>1</sup> through its undersigned counsel, hereby respectfully submits and requests expeditious approval of its Compliance Plan outlining the measures it will take to implement the conditions imposed by the Commission in its *Lifeline Reform Order*.<sup>2</sup>

---

<sup>1</sup> The Company hereby also reports its corporate and trade names, identifiers, and its holding company, operating companies and affiliates as: Telrite Corporation (corporate name), Life Wireless (trade name) and Telrite Holdings, LLC (holding company). Telrite owns 10 percent of Life Wireless Holdings, LLC, which is 50 percent owned by Puretalk Holdings, LLC. Therefore, Puretalk Holdings, LLC is not an affiliate of Telrite, however, Telrite’s “top-up” minutes are sold under the Pure Unlimited brand.

<sup>2</sup> See *Lifeline and Link Up Reform and Modernization, Lifeline and Link Up, Federal-State Joint Board on Universal Service, Advancing Broadband Availability Through Digital Literacy Training*, WC Docket No. 11-42, WC Docket No. 03-109, CC Docket No. 96-45, WC Docket No. 12-23, Report And Order and Further Notice Of Proposed Rulemaking, FCC 12-11 (Feb. 6, 2012) (“*Lifeline Reform Order*”). The Company herein submits the information required by the Compliance Plan Public Notice. See *Wireline Competition Bureau Provides Guidance for the Submission of Compliance Plans Pursuant to the Lifeline Reform Order*, WC Docket Nos. 09-197, 11-42, Public Notice, DA 12-314 (rel. Feb. 29, 2012).

The Company commends the Commission’s commitment to a nationwide communications system that promotes the safety and welfare of all Americans, including Lifeline customers. Telrite will comply with 911 requirements as described below and it is submitting this Compliance Plan in order to qualify for blanket forbearance from the facilities requirement of section 214(e)(1)(A) of the Communications Act and participate as an eligible telecommunications carrier (“ETC”) in the Lifeline program.<sup>3</sup>

The Company will comply fully with all conditions set forth in the *Lifeline Reform Order*, as well as with the Commission’s Lifeline rules and policies more generally.<sup>4</sup> This Compliance Plan describes the specific measures that the Company intends to implement to achieve these objectives. Specifically, this Compliance Plan: (1) describes the specific measures that Telrite will take to implement the obligations contained in the *Lifeline Reform Order*, including the procedures the Company follows in enrolling a subscriber in Lifeline and submitting for reimbursement for that subscriber from the Low-Income Fund, materials related to initial and ongoing certifications and sample marketing materials; and (2) provides a detailed description of how Telrite offers Lifeline services, the geographic areas in which it offers services, and a detailed description of the Company’s Lifeline service plan offerings.

---

<sup>3</sup> See *Lifeline Reform Order*, ¶ 368. Although the Company qualifies for and seeks to avail itself of the Commission’s grant of forbearance from the facilities requirement of section 214(e)(1)(A) for purposes of the federal Lifeline program, the Company reserves the right to demonstrate to a state public utilities commission that it provides service using its own facilities in a state for purposes of state universal service funding under state program rules and requirements. Telrite will follow the requirements of the Commission’s Lifeline rules and this Compliance Plan in all states in which it provides Lifeline service and receives reimbursements from the federal Low-Income Fund, including in any state where the public utilities commission determines that Telrite provides service using its own facilities for purposes of a state universal service program.

<sup>4</sup> In addition, this Compliance Plan is consistent with the compliance plan filed by Global Connection Inc. of America. See Global Connection of America Inc. Compliance Plan, WC Docket Nos. 09-197, 11-42 (Apr. 30, 2012). The Global Connection compliance plan was approved on May 25, 2012. See Public Notice, DA 12-828.

## ACCESS TO 911 AND E911 SERVICES<sup>5</sup>

Pursuant to the *Lifeline Reform Order*, forbearance is conditioned upon the Company: (1) providing its Lifeline subscribers with 911 and E911 access, regardless of activation status and availability of minutes; and (2) providing its Lifeline subscribers with E911-compliant handsets and replacing, at no additional charge to the subscriber, noncompliant handsets of Lifeline-eligible subscribers who obtain Lifeline-supported services.<sup>6</sup> Telrite will comply with these conditions starting on the effective date of the *Lifeline Reform Order*.

The Company will provide its Lifeline customers with access to 911 and E911 services immediately upon activation of service. The Commission and consumers are hereby assured that all Telrite customers will have available access to emergency calling services at the time that Lifeline service is initiated, and that such 911 and E911 access will be available from Telrite handsets, even if the account associated with the handset has no minutes remaining.

The Company's existing practices currently provide access to 911 and E911 services for all customers. Telrite uses AT&T as its underlying network provider/carrier. has direct contracts for wireless services from AT&T, as opposed to purchasing minutes through an intermediary. AT&T routes 911 calls from the Company's customers in the same manner as 911 calls from AT&T's own retail customers. To the extent that AT&T is certified in a given PSAP territory, this 911 capability will function the same for the Company. Telrite also currently enables 911 emergency calling services for all properly activated handsets regardless of whether the account associated with the handset is active or suspended. Finally, the Company transmits all 911 calls initiated from any of its handsets even if the account associated with the handset has no remaining minutes.

---

<sup>5</sup> See Compliance Plan Public Notice at 3.

<sup>6</sup> See *Lifeline Reform Order*, ¶ 373.

**E911-Compliant Handsets.** Telrite will ensure that all handsets used in connection with the Lifeline service offering are E911-compliant. In point of fact, the Company's phones have always been and will continue to be 911 and E911-compliant. The Company uses phones from AT&T that have been through a stringent certification process with AT&T, which ensures that the handset models used meet all 911 and E911 requirements. As a result, any existing customer that qualifies for and elects Lifeline service will already have a 911/E911-compliant handset, which will be confirmed at the time of enrollment in the Lifeline program. Any new customer that qualifies for and enrolls in the Lifeline program is assured of receiving a 911/E911-compliant handset as well, free of charge.

#### COMPLIANCE PLAN

### **I. PROCEDURES TO ENROLL A SUBSCRIBER IN LIFELINE<sup>7</sup>**

#### **A. Policy**

Telrite complies with the uniform eligibility criteria established in new section 54.409 of the Commission's rules, as well as any additional certification and verification requirements for Lifeline eligibility in states where the Company is designated as an ETC.

Therefore, all subscribers are required to demonstrate eligibility based at least on: (1) household income at or below 135% of the Federal Poverty Guidelines for a household of that size; or (2) the household's participation in one of the federal assistance programs listed in new sections 54.409(a)(2) or 54.409(a)(3) of the Commission's rules. In addition, through the certification requirements described below, the Company will confirm that the subscriber is not already receiving a Lifeline service and no one else in the subscriber's household is subscribed to a Lifeline service.

---

<sup>7</sup> See Compliance Plan Public Notice at 3.

## **B. Eligibility Determination**

More than 99 percent of Telrite's customer enrollment is done in-person, as opposed to over the phone or the Internet. Event locations are scheduled using various market or industry data resources. Telrite directs a team of representatives that survey and evaluate potential event locations across its service areas. Additionally, Telrite partners with community organizations, such as civic organizations, churches and food banks to host events in the communities it serves. Representatives are only permitted to enroll Lifeline customers within the borders of the states where Telrite is designated as an ETC. Further, to ensure that Telrite can track the location of its enrollment initiatives, all representatives conducting a Telrite enrollment event are required to electronically check in with Telrite and provide their address before the representatives can submit orders and enroll customers in Telrite's Lifeline service.

All enrollments performed in-person are completed electronically. The use of "paper forms" is prohibited, however, at all times laminated copies of the Lifeline application/certification forms are available for customers to review. Telrite's electronic process uses MiFi hotspots, laptop or net book computers, electronic signature pads and a bar code scanner to complete enrollment in real-time. The electronic order process provides Telrite the opportunity to perform several database checks in real-time during the enrollment process. Specifically, Telrite's systems validate and normalize addresses via "Melissa" data; perform an internal address duplicate check (to ensure that the prospective customer or someone at that address does not currently have Lifeline service from Telrite); perform an external duplicate check using CGM, LLC's ("CGM's") intercompany duplicate database ("IDD")<sup>8</sup>; and confirm the customer's

---

<sup>8</sup> CGM's IDD enables participating ETCs to seed the database with subscriber lists, as well as to check the database against the subscriber lists of participating ETCs. Telrite is the largest ETC participating in this important self-regulatory initiative. Further

identity via Lexis Nexis (using the prospective customer's last name, date of birth and the last four digits of the customer's Social Security number). In addition, Telrite will check each applicant's government-issued photo identification for this purpose.

As discussed in further detail in Section I.F. below, all employees or representatives ("Company personnel") that conduct such in-person enrollments are trained regarding the eligibility and certification requirements in the *Lifeline Reform Order* and this Compliance Plan, including the one-per-household requirement, and told to inform potential customers of those requirements. New Company personnel undergo an initial mandatory training session where they are given training materials, a field training manual and a compliance manual, as well as shown visual examples of documents acceptable to demonstrate eligibility for the Lifeline program.

If Telrite cannot determine a prospective subscriber's eligibility for Lifeline by accessing income databases or program eligibility databases, Company personnel will review documentation establishing eligibility pursuant to the Lifeline rules.<sup>9</sup> All personnel who interact with actual or prospective customers will be trained to assist Lifeline applicants in determining whether they are eligible to participate based on the federal and state-specific income-based and/or program-based criteria. These personnel will be trained to answer questions about Lifeline eligibility, and will review required documentation to determine whether it satisfies the *Lifeline Reform Order* and state-specific eligibility requirements using state-specific checklists.

---

demonstrating Telrite's leadership and commitment to defending the Lifeline program, Telrite also has produced three PSAs designed to educate the public about the Lifeline program. By January 2013, these PSAs will have been aired over 2,700 times collectively across the following markets: Atlanta, Baltimore, Charleston (WV), Chicago, Deluth, Little Rock, Minneapolis, New Orleans, Providence and St. Louis.

<sup>9</sup> See *Lifeline Reform Order*, ¶ 100; sections 54.410(b)(1)(i)(B), 54.410(c)(1)(i)(B).

Proof of Eligibility. Company personnel will be trained on acceptable documentation required to establish income-based and program-based eligibility.<sup>10</sup> Acceptable documentation of program eligibility includes: (1) the current or prior year's statement of benefits from a qualifying state, federal or Tribal program; (2) a notice letter of participation in a qualifying state, federal or Tribal program; (3) program participation documents (*e.g.*, the consumer's Supplemental Nutrition Assistance Program (SNAP) electronic benefit transfer card or Medicaid participation card (or copy thereof)); or (4) another official document evidencing the consumer's participation in a qualifying state, federal or Tribal program.<sup>11</sup>

Acceptable documentation of income eligibility includes the prior year's state, federal, or Tribal tax return; current income statement from an employer or paycheck stub; a Social Security statement of benefits; a Veterans Administration statement of benefits; a retirement/pension statement of benefits; an Unemployment/Workmen's Compensation statement of benefits; federal or Tribal notice letter of participation in General Assistance; or a divorce decree, child support award, or other official document containing income information for at least three months time.<sup>12</sup>

Company personnel will examine this documentation for each Lifeline applicant, and will record the type of documentation used to satisfy the income- or program-based criteria by checking the appropriate box on the application form.<sup>13</sup> In addition, Company personnel will fill in, where available, the last four digits of an account or other identifying number on the proof document, the date of the proof document and the expiration of the proof document. The

Company will not retain a copy of this documentation, except where state rules require such retention.<sup>14</sup> Where the Company personnel conclude that proffered documentation is insufficient to establish such eligibility, the Company will deny the associated application and inform the applicant of the reason for such rejection. In the event that Company personnel cannot ascertain whether documentation of a specific type is sufficient to establish an applicant's eligibility, the matter will be escalated to supervisory personnel at the Company's corporate offices in Covington, GA. A Telrite employee will be responsible for overseeing and finalizing every Lifeline enrollment prior to including that customer on an FCC Form 497 for reimbursement.

In addition, Telrite will not enroll customers at retail locations where Telrite does not have an agency agreement with the retailer. Further, Telrite will require an agent retailer to have any employees involved in the enrollment process go through the standard Telrite field representative training, same as it would for any other agent. By establishing agency relationships with all of its field representatives, including future retail outlets, Telrite meets the "deal directly" requirement adopted in the TracFone Forbearance Order.<sup>15</sup>

The Commission determined in the *Lifeline Reform Order* that ETCs may permit agents or representatives to review documentation of consumer program eligibility for Lifeline because "the Commission has consistently found that '[l]icensees and other Commission regulatees are responsible for the acts and omissions of their employees and independent contractors.'"<sup>16</sup> Because Telrite is responsible for the actions of all of its employees and agents, including those enrolling customers in any Telrite owned or affiliated retail locations, and a Telrite employee

will be responsible for overseeing and finalizing every Lifeline enrollment prior to including that customer on an FCC Form 497 for reimbursement, the Company always “deals directly” with its customers to certify and verify the customer’s Lifeline eligibility.

De-Enrollment for Ineligibility. If Telrite has a reasonable basis to believe that one of its Lifeline subscribers no longer meets the eligibility criteria, the Company will notify the subscriber of impending termination in writing and in compliance with any applicable state dispute resolution procedures applicable to Lifeline termination, and give the subscriber 30 days to demonstrate continued eligibility.<sup>17</sup> A demonstration of eligibility must comply with the annual verification procedures below and found in new rule section 54.410(f), including the submission of a certification form. If a customer contacts the Company and states that he or she is not eligible for Lifeline or wishes to de-enroll for any reason, the Company will de-enroll the customer within five business days. Customers can make this request by calling the Company's customer service number and will not be required to submit any documents.

### **C. Subscriber Certifications for Enrollment**

The Company will implement certification policies and procedures that enable consumers to demonstrate their eligibility for Lifeline assistance to Company personnel as detailed in the *Lifeline Reform Order*, together with any additional state certification requirements.<sup>18</sup> The Company shares the Commission’s concern about abuse of the Lifeline program and is thus committed to the safeguards stated herein, with the belief that these procedures will prevent the Company’s customers from engaging in such abuse of the program, inadvertently or intentionally. Every applicant will be required to complete an application/certification form

<sup>17</sup> See *Lifeline Reform Order*, ¶ 143; section 54.405(e)(1).

<sup>18</sup> *Lifeline Reform Order*, ¶ 61; section 54.410(a).

containing disclosures, and collecting certain information and certifications as discussed below.<sup>19</sup> Applicants that seek to enroll based on income eligibility will be referred to a worksheet showing the Federal Poverty Guidelines by household size.<sup>20</sup>

Applicants that do not complete the form in person will be required to return the signed application/certification form to the Company by mail, facsimile, electronic mail or other electronic transmission. In addition, Company personnel will verbally explain the certifications to consumers when they are enrolling in person or over the phone.<sup>21</sup>

Disclosures. The Company's application and certification forms will include the following disclosures: (1) Lifeline is a federal benefit and willfully making false statements to obtain the benefit can result in fines, imprisonment, de-enrollment or being barred from the program; (2) only one Lifeline service is available per household; (3) a household is defined, for purposes of the Lifeline program, as any individual or group of individuals who live together at the same address and share income and expenses; (4) a household is not permitted to receive Lifeline benefits from multiple providers; (5) violation of the one-per-household limitation constitutes a violation of the Commission's rules and will result in the applicant's de-enrollment from the program; and (6) Lifeline is a non-transferable benefit and the applicant may not transfer his or her benefit to any other person.<sup>22</sup>

Applications and certification forms will also state that: (1) the service is a Lifeline service, (2) Lifeline is a government assistance program, and (3) only eligible consumers may

enroll in the program.<sup>23</sup>

In addition, Telrite will notify the applicant that the prepaid service must be personally activated by the subscriber and the service will be deactivated and the subscriber de-enrolled if the subscriber does not use the service for 60 days.<sup>24</sup>

Information Collection. The Company will also collect the following information from the applicant in the application/certification form: (1) the applicant's full name; (2) the applicant's full residential address (P.O. Box is not sufficient<sup>25</sup>); (3) whether the applicant's residential address is permanent or temporary; (4) the applicant's billing address, if different from the applicant's residential address; (5) the applicant's date of birth; (6) the last four digits of the applicant's Social Security number (or the applicant's Tribal identification number, if the subscriber is a member of a Tribal nation and does not have a Social Security number); (7) if the applicant is seeking to qualify for Lifeline under the program-based criteria, the name of the qualifying assistance program from which the applicant, his or her dependents, or his or her household receives benefits; and (8) if the applicant is seeking to qualify for Lifeline under the income-based criterion, the number of individuals in his or her household.<sup>26</sup>

Applicant Certification. Consistent with new rule section 54.410(d)(3), the Company will require the applicant to certify, under penalty of perjury, in writing or by electronic signature or interactive voice response recording,<sup>27</sup> the following: (1) the applicant meets the income-based or program-based eligibility criteria for receiving Lifeline; (2) the applicant will notify the

Company within 30 days if for any reason he or she no longer satisfies the criteria for receiving Lifeline including, as relevant, if the applicant no longer meets the income-based or program-based criteria for receiving Lifeline support, the applicant is receiving more than one Lifeline benefit, or another member of the applicant's household is receiving a Lifeline benefit; (3) if the applicant is seeking to qualify for Lifeline as an eligible resident of Tribal lands, he or she lives on Tribal lands; (4) if the applicant moves to a new address, he or she will provide that new address to the Company within 30 days; (5) if the applicant provided a temporary residential address to the Company, the applicant will be required to verify his or her temporary residential address every 90 days; (6) the applicant's household will receive only one Lifeline service and, to the best of the applicant's knowledge, the applicant's household is not already receiving a Lifeline service; (7) the information contained in the applicant's certification form is true and correct to the best of the applicant's knowledge; (8) the applicant acknowledges that providing false or fraudulent information to receive Lifeline benefits is punishable by law; and (9) the applicant acknowledges that the applicant may be required to re-certify his or her continued eligibility for Lifeline at any time, and the applicant's failure to re-certify as to the applicant's continued eligibility will result in de-enrollment and the termination of the applicant's Lifeline benefits pursuant to the de-enrollment policy included below and in the Commission's rules.

In addition, the applicant will be required to authorize the Company to access any records required to verify the applicant's statements on the application/certification form and to confirm the applicant's eligibility for the Company Lifeline credit. The applicant must also authorize the Company to release any records required for the administration of the Company Lifeline credit

program, including to USAC to be used in a Lifeline program database.<sup>28</sup>

#### **D. Annual Verification Procedures**

Telrite will annually re-certify all subscribers by querying the appropriate eligibility databases or obtaining a signed certification from each subscriber consistent with the certification requirements above and new section 54.410(d) of the Commission's rules. This certification will include a confirmation that the applicant's household will receive only one Lifeline service and, to the best of the subscriber's knowledge, the subscriber's household is receiving no more than one Lifeline service.<sup>29</sup> The Company will notify each participating Lifeline customer annually that he or she must confirm his or her continued eligibility in accordance with the applicable requirements. Further, the verification materials will inform the subscriber that he or she is being contacted to re-certify his or her continuing eligibility for Lifeline and if the subscriber fails to respond, he or she will be de-enrolled in the program.<sup>30</sup>

2012 Verification. Telrite will re-certify the eligibility of each of its existing subscribers as of June 1, 2012 on a rolling basis by the end of 2012 and report the results to USAC by January 31, 2013.<sup>31</sup> The Company will contact its subscribers via text message to their Lifeline supported telephone, or by mail, phone, email or other Internet communication. The notice will explain the actions the customer must take to retain Lifeline benefits, when Lifeline benefits may be terminated, and how to contact the Company.

---

<sup>28</sup> See Section 54.404(b)(9). The application/certification form will also describe the information that will be transmitted, that the information is being transmitted to USAC to ensure the proper administration of the Lifeline program and that failure to provide consent will result in the applicant being denied the Lifeline service. *See id.*

<sup>29</sup> *See Lifeline Reform Order*, ¶ 120.

<sup>30</sup> *See id.*, ¶ 145.

<sup>31</sup> *See id.*, ¶ 130.

Verification De-Enrollment. Telrite will de-enroll subscribers that do not respond to the annual verification or fail to provide the required certification.<sup>32</sup> The Company will give subscribers 30 days to respond to the annual verification inquiry. If the subscriber does not respond, the Company will send a separate written notice explaining that failure to respond within 30 days will result in the subscriber's de-enrollment from the Lifeline program. If the subscriber does not respond within 30 days, the Company will de-enroll the subscriber within five business days.

**E.      Activation and Non-Usage**

Telrite will not consider a prepaid subscriber activated, and will not seek reimbursement for Lifeline for that subscriber, until the subscriber activates the Company's prepaid service by a method established by Telrite. For activation of a handset provided to a new customer at an event or "in the field", successful applicants are provided a functioning handset and instructed to dial 770-200-1000 to complete the activation process. Such calls are free of charge to the applicant. To activate a handset provided to a successful applicant by mail, upon receipt of the handset, the applicant must contact Telrite customer service at 888-543-3620 or 888-543-3640 to activate the service. The customer must verify their last name, date of birth and last four digits of their Social Security number. The customer must also verify that he or she ordered the Lifeline service. The phone is activated only after that verification process has been completed.

In addition, after service activation, the Company will provide a de-enrollment notice to subscribers that have not used their service for 60 days. After 60 days of non-use, Telrite will provide notice to the subscriber that failure to use the Lifeline service within a 30-day notice

---

<sup>32</sup> See *id.*, ¶ 142; section 54.54.405(e)(4).

period will result in de-enrollment.<sup>33</sup> Subscribers can “use” the service by: (1) completing an outbound call; (2) purchasing minutes from the Company to add to the subscriber’s plan; (3) answering an incoming call from a party other than the Company; or (4) responding to a direct contact from the Company and confirming that the subscriber wants to continue receiving the service.<sup>34</sup>

If the subscriber does not respond to the notice, the subscriber will be de-enrolled and Telrite will not request further Lifeline reimbursement for the subscriber. The Company will report annually to the Commission the number of subscribers de-enrolled for non-usage by month.<sup>35</sup>

#### **F. Additional Measures to Prevent Waste, Fraud and Abuse**

To supplement its verification and certification procedures, and to better ensure that customers understand the Lifeline service restrictions with respect to duplicates, the Company will implement measures and procedures to prevent duplicate Lifeline benefits being awarded to the same household. These measures entail additional emphasis in written disclosures as well as live due diligence.

In addition to checking the database when it becomes available, Company personnel will emphasize the “one Lifeline phone per household” restriction in their direct sales contacts with potential customers. Training materials include a discussion of the limitation to one Lifeline phone per household, and the need to ensure that the customer is informed of this restriction.<sup>36</sup>

Telrite conducts background checks on all Company personnel interacting with existing and

potential Lifeline customers and they must pass a complete onboarding process that includes a photo identification check. All such Company personnel also undergo training regarding the eligibility and certification requirements in the *Lifeline Reform Order* and this Compliance Plan. New Company personnel complete an initial mandatory three-hour training session conducted by corporate trainers that are employees of Telrite where they are given training materials, a field training manual and a compliance manual, as well as shown visual examples of documents acceptable to demonstrate eligibility for the Lifeline program. These training documents are regularly updated to reflect the requirements of the *Lifeline Reform Order* and this Compliance Plan, and they are provided to existing Company personnel. All Company personnel must have these manuals with them when conducting enrollment or other activities for Telrite. Further, Telrite holds weekly compliance updates and weekly refresher/continuing education conference calls and all Company personnel have access to a Telrite portal with a large resource section containing policies, tips and procedures for Lifeline enrollment.

Telrite also has Compliance and Field Operations teams that investigate possible waste, fraud and abuse by Company personnel or representatives and either resolve the issues or escalate them. Solutions can include additional training, deactivation of credentials, termination and possible legal action. To discover potential waste, fraud and abuse, the Compliance Department is responsible for tracking and monitoring data entry, orders and behavior of Company personnel engaging in Lifeline enrollments, as well as conducting data audits (tracking statistics on orders to look for irregularities), customer quality calls, secret shopping, no-notice field audits and photo audits (random audits requiring the representative to take a photo of the event set-up). Telrite's Compliance Department is itself subject to outside audits by CGM.

Finally, on or before May 4, 2012, all Telrite agents and representatives received a Training Bulletin and Fraud Policy, which Telrite also filed with the Commission, designed to remind all Company personnel engaged in enrollment of Lifeline applicants regarding their obligations to explain the one-per-household restriction to Lifeline applicants.

Database. When the National Lifeline Accountability Database (“National Database”) becomes available, Telrite will comply with the requirements of new rule section 54.404. The Company will query the National Database to determine whether a prospective subscriber is currently receiving a Lifeline service from another ETC and whether anyone else living at the prospective subscriber’s residential address is currently receiving Lifeline service.<sup>37</sup>

One-Per-Household. Telrite will implement the requirements of the *Lifeline Reform Order* to ensure that it provides only one Lifeline benefit per household<sup>38</sup> through the use of its application and certification forms discussed above, database checks and its marketing materials discussed below. Upon receiving an application for the Company’s Lifeline service, Telrite validates and normalizes the address provided via the MELISSA database and then the name, address, date of birth and last four digits of the Social Security number are entered into Telrite’s

---

<sup>37</sup> See *Lifeline Reform Order*, ¶ 203. Company will also transmit to the National Database the information required for each new and existing Lifeline subscriber. See *id.*, ¶¶ 189-195; section 54.404(b)(6). Further, Company will update each subscriber’s information in the National Database within ten business days of any change, except for de-enrollment, which will be transmitted within one business day. See section 54.404(b)(8),(10).

<sup>38</sup> A “household” is any individual or group of individuals who are living together at the same address as one economic unit. A household may include related and unrelated persons. An “economic unit” consists of all adult individuals contributing to and sharing in the income and expenses of a household. An adult is any person eighteen years or older. If an adult has no or minimal income, and lives with someone who provides financial support to him/her, both people shall be considered part of the same household. Children under the age of eighteen living with their parents or guardians are considered to be part of the same household as their parents or guardians. See *Lifeline Reform Order*, ¶ 74; section 54.400(h).

internal duplicate database to ensure that it does not already provide Lifeline-supported service to that individual or another person at the same address.<sup>39</sup> If so, and the applicant lives at an address with multiple households, the Company will require the applicant to complete and submit a written USAC document containing the following: (1) an explanation of the Commission’s one-per-household rule; (2) a check box that an applicant can mark to indicate that he or she lives at an address occupied by multiple households; (3) a space for the applicant to certify that he or she shares an address with other adults who do not contribute income to the applicant’s household and share in the household’s expenses or benefit from the applicant’s income, pursuant to the Commission’s definition; and (4) the penalty for a consumer’s failure to make the required one-per-household certification (*i.e.*, de-enrollment).<sup>40</sup> Further, if a subscriber provides a temporary address on his or her application/certification form collected as described above, the Company will verify with the subscriber every 90 days that the subscriber continues to rely on that address.<sup>41</sup>

In addition, Company personnel will inform each Lifeline applicant that he or she may be receiving Lifeline support under another name, and facilitate the applicant’s understanding of what constitutes “Lifeline-supported services,” and ability to determine whether he or she is already benefiting from Lifeline support, by informing the consumer that all Lifeline services may not be currently marketed under the name Lifeline. Telrite also asks each customer whether they are receiving Lifeline service from one of the other major Lifeline providers in the state (*e.g.*, SafeLink, Assurance). Further, at the time of enrollment, Telrite checks each applicant

against an internal database, as well as a pooled duplicates database established by CGM. Finally, Telrite will continue to participate in the In-Depth Validation process with the Commission and USAC to locate and address duplicates between ETCs in various states until the national database is in place.

Marketing Materials. Within the deadline provided in the *Lifeline Reform Order*, the Company will include the following information regarding its Lifeline service on all marketing materials describing the service: (1) it is a Lifeline service, (2) Lifeline is a government assistance program, (3) the service is non-transferable, (4) only eligible consumers may enroll in the program, (5) the program is limited to one discount per household; (6) that documentation is necessary for enrollment; and (7) Telrite's name (the ETC).<sup>42</sup> These statements will be included in all print, audio video and web materials (including social networking media) used to describe or enroll customers in the Company's Lifeline service offering, as well as the Company's application forms and certification forms.<sup>43</sup> This specifically includes the Company's website ([www.lifewireless.com](http://www.lifewireless.com)) and outdoor signage.<sup>44</sup> A sample of the Company's marketing materials is included as Exhibit C. In addition, the Company's application/certification form will state that consumers who willfully make a false statement in order to obtain the Lifeline benefit can be punished by fine or imprisonment or can be barred from the program.

#### **G. Company Reimbursements From the Fund**

To ensure that the Company does not seek reimbursement from the Fund without a subscriber's consent, Telrite will certify, as part of each reimbursement request, that it is in

compliance with all of the Commission’s Lifeline rules and, to the extent required, has obtained valid certification and verification forms from each of the subscribers for whom it is seeking reimbursement.<sup>45</sup> Further, the Company will transition the submission of its FCC Forms 497 to the eighth day of each month in order to be reimbursed the same month, and inform USAC, to the extent necessary, to transition its reimbursement process to actual claims rather than projected claims over the course of more than one month.<sup>46</sup> In addition, the Company will keep accurate records as directed by USAC<sup>47</sup> and as required by new section 54.417 of the Commission’s rules.

#### **H. Annual Company Certifications**

Telrite will submit an annual certification to USAC, signed by a Company officer under penalty of perjury, that the Company: (1) has policies and procedures in place to review consumers’ documentation of income- and program-based eligibility and ensure that its Lifeline subscribers are eligible to receive Lifeline services;<sup>48</sup> (2) is in compliance with all federal Lifeline certification procedures;<sup>49</sup> and (3) has obtained a valid certification form for each subscriber for whom the carrier seeks Lifeline reimbursement.<sup>50</sup>

In addition, the Company will provide the results of its annual re-certifications/verifications on an annual basis to the Commission, USAC, the applicable state

Further, as discussed above, the Company will report annually to the Commission the number of subscribers de-enrolled for non-usage by month.<sup>52</sup>

The Company will also annually report to the Commission, USAC, and relevant state commissions and the relevant authority in a U.S. territory or Tribal government as appropriate,<sup>53</sup> the company name, names of the company's holding company, operating companies and affiliates, and any branding (such as a "dba" or brand designation) as well as relevant universal service identifiers for each entity by Study Area Code.<sup>54</sup> The Company will report annually information regarding the terms and conditions of its Lifeline plans for voice telephony service offered specifically for low income consumers during the previous year, including the number of minutes provided and whether there are additional charges to the consumer for service, including minutes of use and/or toll calls.<sup>55</sup> Finally, the Company will annually provide detailed information regarding service outages in the previous year, the number of complaints received and certification of compliance with applicable service quality standards and consumer protection rules, as well as a certification that the Company is able to function in emergency situations.<sup>56</sup>

## **I. Cooperation with State and Federal Regulators**

The Company has cooperated and will continue to cooperate with federal and state regulators to prevent waste, fraud and abuse. More specifically, the Company will:

- Make available, upon request, state-specific subscriber data, including the names and addresses of Lifeline subscribers, to USAC and to each state public utilities commission where the Company operates for the purpose of determining whether an existing Lifeline subscriber receives Lifeline service from another carrier;<sup>57</sup>
- Assist the Commission, USAC, state commissions, and other ETCs in resolving instances of duplicative enrollment by Lifeline subscribers, including by providing to USAC and/or any state commission, upon request, the necessary information to detect and resolve duplicative Lifeline claims;
- Promptly investigate any notification that it receives from the Commission, USAC, or a state commission to the effect that one of its customers already receives Lifeline services from another carrier; and
- Immediately de-enroll any subscriber whom the Company has a reasonable basis to believe<sup>58</sup> is receiving Lifeline-supported service from another ETC or is no longer eligible – whether or not such information is provided by the Commission, USAC, or a state commission.

## **II. Description of Lifeline Service Offerings<sup>59</sup>**

Telrite will offer its Lifeline service in the states where it is designated as an ETC<sup>60</sup> and throughout the coverage area of its underlying provider AT&T. The Company's Lifeline offering in each state where the Company has been designated as an ETC provides customers with their choice of 125 or 250 anytime prepaid minutes per month at no charge. Minutes do not

expire for the 125 minute plan and unused minutes are rolled over to the next month. Unused minutes for the 250 minute plan do not roll over. Text messaging is available at the rate of:

- 125 Minute Plan: 1/3 minute (*i.e.*, 3 SMS texts per voice minute)
- 250 Minute Plan 1/3 minute (*i.e.*, 3 SMS texts per voice minute)

Lifeline customers can purchase additional bundles of minutes in denominations of \$10.00, \$25.00, \$4.95, \$7.95, \$12.95, \$21.49 and \$29.95.<sup>61</sup> Airtime, when used for standard cellular calls, is valued at and will be decremented at the following rates:

- 1) \$10.00 denomination - \$0.099 per minute of use;
- 2) \$25.00 denomination - \$0.0708 per minute of use;
- 3) \$4.95 denomination – 1 day Unlimited Talk and SMS;
- 4) \$7.95 denomination - 3 day Unlimited Talk and SMS;
- 5) \$12.95 denomination - 1 week Unlimited Talk and SMS;
- 6) \$21.95 denomination – 2 weeks Unlimited Talk and SMS;
- 7) \$29.95 denomination – 1 month Unlimited Talk and SMS;

Airtime “top-up” minutes are available for purchase at the Company’s retail locations, through any Money Gram location and on the Company’s website.<sup>62</sup> Additional information regarding the Company’s plans, rates and services can be found on its website: [www.lifewireless.com](http://www.lifewireless.com).

In addition to free voice services, Telrite’s Lifeline plan will include a free handset and custom calling features at no charge, including Caller ID, Call Waiting, Call Forwarding, 3-Way Calling, Voice Mail, No Roaming charges and free access to Customer Care by dialing 611 from customers’ Life Wireless handset or by dialing 1-888-543-3620 from any wireline phone. All

<sup>61</sup> The \$29.95 rate for unlimited talk and text is available only to Life Wireless customers that purchase online or by calling Telrite customer service. The retail rate available in stores is \$42.95, which is set to be reduced to a yet undetermined rate.

<sup>62</sup> Top-up minutes are provided using the PureTalk USA and Pure Unlimited brands, by Puretalk Holdings, LLC, a sister company of Telrite with common ownership, though not technically an affiliate.

plans include domestic long-distance at no extra per minute charge. Calls to 911 emergency services are always free, regardless of service activation or availability of minutes.

### **III. Demonstration of Financial and Technical Capabilities and Certifications Required for ETC Designation<sup>63</sup>**

Financial and Technical Capabilities. Revised Commission rule 54.202(a)(4), 47 C.F.R. 54.202(a)(4), requires carriers petitioning for ETC designation to demonstrate financial and technical capability to comply with the Commission's Lifeline service requirements.<sup>64</sup> The Compliance Plan Public Notice requires that carriers' compliance plan include this demonstration. Among the factors the Commission will consider are: a carrier's prior offering of service to non-Lifeline subscribers, the length of time the carrier has been in business, whether the carrier relies exclusively on Lifeline reimbursement to operate, whether the carrier receives revenues from other sources and whether the carrier has been the subject of an enforcement action or ETC revocation proceeding.

Telrite has been offering Lifeline service to customers since October, 2010. Telrite also offers several other telecommunication services in addition to its Lifeline service. In 2011, the wireline services offered by Telrite produced substantial net income. This revenue was generated from more than 30,000 customers of Telrite's local and long distance service, which Telrite has been providing for over 10 years. In sum, Telrite has access to sufficient funds to run its business and is not solely dependent on reimbursements from the Fund. Telrite recently entered into a consent decree with the Enforcement Bureau relating to an investigation begun in

2004.<sup>65</sup> The Company has not been subject to enforcement sanctions or ETC revocation proceedings in any state.

Service Requirements Applicable to the Company's Support. The Compliance Plan Public Notice requires carriers to include "certifications required under newly amended section 54.202 of the Commission's rules."<sup>66</sup> Telrite certifies that it will comply with the service requirements applicable to the support the Company receives.<sup>67</sup> Telrite provides all of the telecommunications service supported by the Lifeline program and will make the services available to all qualified consumers throughout the states in which it is designated as an ETC. The Company's services include voice telephony services that provide voice grade access to the public switched network or its functional equivalent. Further, the Company's service offerings provide its customers with minutes of use for local service at no charge to the customer. The Company will offer a set number of minutes of local exchange service free of charge to its subscribers. Telrite's current Lifeline offerings include packages in Section II *supra* that can be used for local and domestic toll service.

The Company also will provide access to emergency services provided by local government or public safety officials, including 911 and E911 where available and will comply with any Commission requirements regarding E911-compatible handsets. As discussed above, the Company will comply with the Commission's forbearance grant conditions relating to the provision of 911 and E911 services and handsets.

---

<sup>65</sup> See Telrite Corporation, File No. EB-05-1H-2348, Order and Consent Decree, DA 12-612 (rel. Apr. 18, 2012).

<sup>66</sup> Compliance Plan Public Notice at 3.

<sup>67</sup> 47 C.F.R. § 54.202(a)(1).

Finally, Telrite will not provide toll limitation service (“TLS”), which allows low income consumers to avoid unexpected toll charges. However, since the Company is a prepaid service provider, customers cannot be disconnected for failure to pay toll charges, nor are there additional charges for exceeding their minutes. Further, the Company, like most wireless carriers, does not differentiate domestic long distance toll usage from local usage and all usage is paid for in advance. Pursuant to the *Lifeline Reform Order*, subscribers to such services are not considered to have voluntarily elected to receive TLS.<sup>68</sup>

#### **IV. Conclusion**

Telrite submits that its Compliance Plan fully satisfies the conditions set forth in the Commission’s *Lifeline Reform Order*, the Compliance Plan Public Notice and the Lifeline rules. Accordingly, the Company respectfully requests that the Commission expeditiously approve its Compliance Plan.

Respectfully submitted,

## Georgia Wireless Lifeline Service Application and Certification

Mail or Fax completed and signed form to

Telrite Corporation / Life Wireless

PO Box 2840 Covington, GA 30015

FAX: 1-866-770-6110 / EMAIL: [lwforms@lifewireless.com](mailto:lwforms@lifewireless.com)

A complete and signed Lifeline Service Application and Certification ("Certification") is required to enroll you in Telrite Corporation / Life Wireless' Lifeline service program in your state. This Certification is only for the purpose of verifying your eligibility for Lifeline service and will not be used for any other purpose. Service requests will not be processed until this Form has been received and verified by Company.

**One Lifeline service per household disclosures:** Lifeline is a government assistance program and willfully making false statements to obtain a Lifeline benefit can result in fines, imprisonment, de-enrollment or being barred from the program. Lifeline benefits are limited to a single line of service per household. A household is defined, for purposes of the Lifeline program, as any individual or group of individuals who live together at the same address and share income and expenses. A household may not receive multiple Lifeline discounts. You may apply your Lifeline discount to either one landline or one wireless number, but you cannot have the discount on both and you cannot receive Lifeline benefits from multiple providers. Note that not all Lifeline services are currently marketed under the name Lifeline. Lifeline is a non-transferable benefit and you may not transfer your benefit to any other person, including another eligible low-income consumer. Violation of the one-per-household limitation constitutes a violation of the Federal Communications Commission's rules and will result in your de-enrollment from the program, and potentially prosecution by the United States Government.

I hereby certify that I have read and understood the disclosures listed above and that, to the best of my knowledge, my household is not already receiving a Lifeline service benefit.

**Customer eligibility certification: I hereby certify that I participate in at least one of the following programs (check one):**

- Supplemental Nutrition Assistance Program (SNAP)
- Section 8 Federal Public Housing Assistance (FPHA)
- Medicaid (not Medicare)
- Supplemental Security Income (SSI)
- Temporary Assistance for Needy Families (TANF)
- Low Income Home Energy Assistance Program (LIHEAP)
- National School Lunch Program's free lunch program
- Income at or below 135% of Federal Poverty Guidelines
- Food Distribution Program on Indian Reservations (FDPIR)
- Bureau of Indian Affairs General Assistance (BIA)
- Tribally Administered TANF (TATNF)
- Head Start (meeting income qualifying standards)
- Senior Citizen Low Income Discount Offered by Local Gas or Power Company

## Life Wireless Lifeline Service Application Income Eligibility Worksheet

Individuals in all states are able to enroll in the Lifeline program by demonstrating that their household's annual income is at or below 135% of the Federal Poverty Guidelines. This table should be used to determine whether a Lifeline applicant is eligible for Lifeline service based on the number of individuals in the applicant's household and the applicant's household annual income:

HOUSEHOLD SIZE	INCOME LEVEL
1	\$15,080
2	\$20,426
3	\$25,772
4	\$31,118
5	\$36,464
6	\$41,810
7	\$47,156
8	\$52,502
For each additional person	Add \$5,346

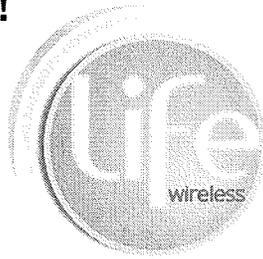

**Applicants must list the number of individuals in the applicant's household on the Lifeline application form.** Applicants seeking to qualify for Lifeline service based on their household income must present one of the following documents in order to prove eligibility:

- the prior year's state, federal, or Tribal tax return
- current income statement from an employer or paycheck stub
- a Social Security statement of benefits
- a Veterans Administration statement of benefits
- a retirement/pension statement of benefits
- an Unemployment/Workmen's Compensation statement of benefits
- Federal or Tribal notice letter of participation in General Assistance
- a divorce decree, child support award, or other official document containing income information for at least three months time

**This is a Lifeline service provided Telrite Corporaton. Lifeline is a government assistance program. Only one Lifeline service is available per household. Households are not permitted to receive multiple Lifeline benefits whether they are from one or multiple companies, wireless or wireline. Proof of eligibility is required for enrollment and only eligible customers may enroll in Lifeline service. Consumers who willingly make false statements to obtain the benefit can be punished by fine or imprisonment or can be barred from the program. Lifeline is a non-transferable benefit. Lifeline customers may not transfer their benefits to any other person.**
