Re: Statewide Analysis

Indiana Utility Regulatory Commission

101 West Washington Street, Ste. 1500 E.

Indianapolis, IN 46204

We have attached the bulk of our work with a collective of stakeholders. We would however, like to add that equity in the analysis should be a metric. Where energy is deployed, where energy is retired, and the development of jobs. The NAACP Just Energy Reducing Pollution and Creating Jobs Report is attached for consideration and inclusion. We also would like to be engaged on future emails relating to this Statewide Effort.
