STATE OF INDIANA

INDIANA UTILITY REGULATORY COMMISSION

PETITION FOR APPROVAL OF RATE)AND CHARGE DIFFERENCE BETWEEN)PROPERTY WITHIN AND PROPERTY)OUTSIDE THE CORPORATE BOUNDARIES)OF THE TOWN OF SPEEDWAY)

Pursuant to Indiana Code § 8-1.5-3-8.3(c), Petitioner, Town of Speedway, Indiana, ("Petitioner") by counsel, respectfully petitions the Indiana Utility Regulatory Commission ("Commission") for approval of the rate and charge difference between property within and property outside the corporate boundaries of Petitioner. In support of its Petition, Petitioner states:

1. The ordinance setting rates and charges for property within and property outside the municipality's corporate boundaries took effect on October 1, 2010.

2. Attached as "Exhibit A" is a copy of the Ordinance.

3. The works that is the subject of the Ordinance is a (select one):

a.	water utility works	
b.	wastewater utility works	<u>X</u>
c.	both water and wastewater utility works	

4. The percentage difference between the rates and charges imposed on users of the works for service to property located outside the corporate boundaries of the municipality and to property located within the corporate boundaries is fifty percent (50%).

5. The percentage difference in number 4 above does not vary based on the amount of consumption.

6. Petitioner considers Ind. Code § 8-1.5-3-8.3(c), among other statutes, to be applicable to the relief requested by this Petition. While Petitioner believes that it is covered by the grandfathering provision for rates that were the subject of an objecting petition and which were sustained on appeal from final judgment, Petitioner is submitting this petition in an abundance of caution. Petitioner's 50% out-of-town surcharge was affirmed by the Indiana Supreme Court; however, Petitioner has increased its rates in across-the-board fashion following the Indiana Supreme Court decision.

7. Nicholas K. Kile and Emily A. Heimann are counsel of record for Petitioner in this matter and are duly authorized to accept service of papers in this Cause on behalf of Petitioner.

WHEREFORE Petitioner requests that the Commission issue an Order approving the percentage rate and charge difference between property within and property outside the corporate boundaries of Petitioner and for other just and reasonable relief.

Respectfully submitted,

Emil es a
