JS/12R

Filing Party: Aurora Municipal Gas Utility

30-Day Filing ID No.: 3284

Date Filed: September 26, 2014

Filed Pursuant To: 170 IAC 1-6

Request: Aurora requests a new transportation tariff rate within the City of Aurora Municipal Gas Utility service territory, which will allow manufacturing entities within the Aurora service territory using 400,000 therms or more per year to transport their own gas.

Customer Impact: There is no customer impact as a result of this request.

Tariff Pages Affected: Rate FT – Rates and Charges for Firm Transportation Service

Staff Recommendations: Aurora Municipal Gas Utility has met all requirements for its request. Staff recommends approving the proposed transportation tariff rates applicable to manufacturing entities within the Aurora service territory using 400,000 therms or more per year to transport their own gas

Submitted By: Curt Gassert *CG/SF*
Director, Water/Sewer Division

Filing Party: German Township Water District
30-Day Filing ID No.: 3315
Date Filed: February 20, 2015
Filed Pursuant To: 170 IAC 1-6
Request: The utility is proposing to eliminate its Stewartsville Area surcharge (\$16.61) and eliminate Marris Township Service Area Rates. These changes are requested as a result of the early retirement of the German Township Water District's debt. All customers will now pay the Original System rates.
Customer Impact: The Stewartsville Area customers will receive a flat \$16.61 per month rate reduction. A Marris Township Service Area customer using 5,000 gallons will see a \$28.18 monthly cost reduction (from \$49.68 to \$21.50)
Tariff Pages Affected: Page One of Four
Staff Recommendations: Requirements met. Staff recommends approval.
