INDIANA UTILITY REGULATORY COMMISSION

IN THE MATTER OF AN ORDER APPROVING ADVISORY COMMITTEE RECOMMENDATIONS PURSUANT TO INDIANA CODE CHAPTER 8-1-26.

APPROVED: OCT 28 2026

NUNC PRO TUNC ORDER OF THE COMMISSION

Ind. Code ch. 8-1-26 provides the procedure for the Indiana Utility Regulatory Commission's Pipeline Safety Division ("Division") to find violations of said chapter. Upon review of those findings, the Indiana Underground Plant Protection Advisory Committee ("Advisory Committee") reviews those recommendations and recommends civil penalties in the Case.

On October 14, 2026, the Commission upheld the findings of violations by the Pipeline Safety Division and approved the recommendations of the Advisory Committee. Since that time, it has been brought to the Commission's attention that the date of the advisory meeting was August 25, 2026, and not July 16, 2026, or August 20, 2026. Therefore, the Commission finds the clerical error made in the date of the advisory meeting shall be corrected to read August 25, 2026, as reflected on the attached pages.

The Assistant General Counsel to the Division is directed to prepare and send notice to the parties advising them of the determination. Civil penalties approved by the Commission are due within 90 days of the date of this Order unless payment arrangements are made with the Commission's Office of General Counsel.

Trainings approved by the Commission must be completed no later than 90 days from the date of this Order unless otherwise agreed in writing by the Commission's Office of General Counsel for good cause shown. Failure to complete the training results in the alternative civil penalty noted in the attached recommendation becoming due.

IT IS SO ORDERED.

BAIN, DEIG, JERRELLS, AND ZIEGNER CONCUR; SWINGER ABSENT:

APPROVED: OCT 28 2026

I hereby certify that the above is a true and correct copy of the Order as approved.
