"A" Preliminary

The following new miscellaneous items have been reviewed by staff members of the Commission and we recommend accepting them for filing.

1. Frontier Communications of Indiana, Inc.

The utility proposes to offer a \$5 discount from the normal monthly charge of \$30.00 for the Frontier Choices Tier I Bundle in exchange for the customer entering into a one-year contract for the bundle. The bundle includes one-party local exchange service, allowance for ten free local directory assistance calls, and any combination of up to 17 enhanced calling features, such as voice mail, caller ID and call waiting.

Early termination liability charges shall apply if the customer cancels the Tier I Bundle before the end of the contract term. The early termination liability charges shall be calculated as follows: for each cancelled Tier I Bundle a rate differential equal to the difference between the Tier I Bundle rate under the contract and the Tier I Bundle rate under month-to-month subscription (or \$5) shall be multiplied by the number of months (rounded to the next whole month) for which the customer subscribed to the Tier I Bundle under contract before cancellation. For example, if a customer begins the one-year contract in January and cancels the contract in mid June, the customer would owe \$35 in termination liability charges.

After the end of the one-year period, the monthly rate with a one-year term commitment will apply for another one-year term commitment unless the customer requests that the one-year term not be renewed, in which case the normal monthly rate will apply on a month-to-month basis. The Company will notify the customer of this provision before the renewal of the one-year term.

Revenue projections have been included with this filing. The utility anticipates gross revenue from this offering of \$20,700 in the first year.

The tariff sheet affected by this filing is:

Section 9, Sheet 2.1

2. Frontier Communications of Thorntown, Inc.

3. Marshall County Rural Electric Membership Corporation

Marshall County REMC seeks Commission approval to add to their Appendix "B" non-recurring charges, one additional item which will be titled "USE OF E-CHECKS / E-BILLS".

Marshall County REMC proposes to offer customers the convenience of paying electric bills using the e-check process and to provide electronic bills for customers/members requesting them. A similar service is currently available to customers that use credit/debit cards. Any costs that are incurred by Marshall County REMC for these voluntary payment options are passed on to the customers/members using the service.
