Tariff Pages Affected: Various Pages
Staff Recommendations: Requirements met. Recommend approval.

¹ In order to maintain parity and be in compliance with the Commission's Orders in Cause No. 39369, local exchange carriers file changes to their intrastate access parity tariffs in order to mirror the applicable interstate access tariff, or take exceptions to interstate tariffs when their intrastate tariffs are not affected.

² CCI does not have its own interstate (FCC) access tariff; it relies upon the NECA Tariff 5.
