

TRIAL COURT STATISTICAL REPORTS

Total Cases Filed and Disposed from 2001 to 2010

Summary of 2010 New Filings by General Case Type

As can be seen in the pie charts, Infraction and Ordinance Violation case types together comprise the highest number of new filings for both Courts of Record and City, Town, and Small Claims courts. The amount of time required to adjudicate these cases is relatively small in comparison to the other case types. Further information about the weighted caseload measures employed in Indiana to determine the relative time differences in case types is contained in the next section of this report.
