JDAI'S 8 CORE STRATEGIES

- *Interagency **COLLABORATION** between key juvenile justice stakeholders, parents, the community, and others to plan and coordinate reform activities*
- ***USE OF ACCURATE DATA** to diagnose and understand the system's problems, identify solutions, and drive program and policy decisions*
- ***RELIANCE ON OBJECTIVE ADMISSION CRITERIA** and instrument to guide detention admission decisions*
- *Utilize **ALTERNATIVES TO DETENTION** to provide youth with community-based supervision while they are awaiting adjudication*
- *Reform **CASE PROCESSING** in order to accelerate the movement of delinquency cases, reduce unnecessary delays, and ensure that interventions are timely and appropriate*
- *Reduce the use of secure confinement for "**SPECIAL**" **DETENTION CASES** such as violation of probation*
- *Commit to **REDUCING RACIAL AND ETHNIC DISPARITIES** by implementing practices and policies that eliminate structural and personal biases that result in racial and ethnic disparities*
- *Improving and monitor **CONDITIONS OF CONFINEMENT** by conducting routine facility inspections*
