Such testimony or affidavit shall describe the services rendered and establish to the Court's satisfaction the amount of time expended (or to be expended) in the matter, the fact that such services and time were or are reasonably necessary considering the nature and complexity of the matter, the experience or expertise of the attorney seeking an attorney fee award, the usual and customary charges, and the reasonableness of the fees sought.

B. The Court shall not take judicial notice of reasonable fees except when requested and all the following conditions are satisfied:

B. Failure to complete the workshop within sixty (60) days of the filing the initial petition for dissolution of marriage or determination of paternity could result in a party being required to appear before the Court to show cause why he/she should not be punished for contempt of Court.

or
- (3) There is an appearance simultaneously filed by successor counsel.

B. The written motion shall state the reasons for withdrawal with specificity and must demonstrate written notice to the client of the intent to make application to withdraw the appearance and representation. The notice must have been given at least ten (10) days prior to filing the motion to withdraw, shall advise the client that failure to secure new counsel may result in dismissal of the client's case or in the rendering of a default judgment, shall advise of the date and time the motion will be considered, and shall advise of the status of the case and of the existence and significance of any hearing dates or deadlines established by the Court in that case. The attorney shall in all other respects comply with Rule 1.16 of the Rules of Professional Conduct.

C. Withdrawal may not be permitted if less than 40 days remain until a trial or hearing date.

D. No withdrawal shall be permitted if such withdrawal would deprive the Court of jurisdiction over a party.

E. In the motion for withdrawal, the attorney shall certify the last known address and telephone number of the party if upon withdrawal no appearance is entered by successor counsel.

F. Until a withdrawal is granted the attorney continues to be responsible for all aspects of the case, including attending all trials and hearings.

G. Withdrawal of appearance in criminal cases will only be allowed pursuant to I.C. 35-36-8-2. A hearing shall be held, with the defendant present, on all motions to withdraw based upon the grounds set forth in I.C. 35-36-8-2(b)(3-5).

 - (2) An honest, good-faith estimate of the court time needed for the trial or hearing.
- B. A proposed order shall be tendered with appropriate blanks for date and time.
- C. Every opposing attorney or pro se litigant who receives such an order and either has a conflict with the setting or disputes the estimate of court time needed for the trial or hearing, or both, shall first contact the attorney or pro se litigant who obtained the setting and attempt to resolve the scheduling problem and agree on the date and amount of time for the trial or hearing. If unable to resolve the problem, the opposing party or pro se litigant shall then notify the Court in writing within ten (10) days of the receipt of the original order and give their honest, good-faith estimate of the court time needed.

LR54-TR53.5-20
Continuances

- A. All motions for continuance shall be in writing, and shall be verified if filed by a pro se litigant.
- B. The motion must be filed promptly upon the discovery of the cause therefor. Motions for continuance, including agreed motions, must be filed at least five (5) days, excluding Saturday, Sunday and holidays, before a court trial or hearing, and at least ten (10) days before a jury trial, unless good cause is shown.
- C. Withdrawal or change of attorneys, in and of itself, shall not be sufficient basis for continuing a trial or hearing.
- D. Motions for continuance shall include the following information:
- (1) The specific reason the continuance is necessary (general assertions, e.g., "unavailability of counsel", "unavailability of witness", "other commitments", etc., shall be subject to summary denial).
 - (2) Whether opposing counsel has been advised that a continuance will be requested.
 - (3) Whether opposing counsel agrees to the continuance.
 - (4) The date and time of the hearing or trial for which a continuance is sought.
 - (5) The approximate amount of time needed for such hearing or trial upon rescheduling.

E. All motions for continuance must be signed by the party who is requesting it or whose attorney is requesting it. If the party does not sign the motion, signature by the attorney is certification that the party has been notified of the request, agrees to the continuance, and understands the reason for which the continuance is sought.

F. Such motion and any accompanying affidavits or documents shall be served upon opposing counsel or the opposing party in person unless there is a showing that opposing counsel or the party has acquiesced or agreed to the motion to continue. The motion to continue will not be granted as a matter of course or as a matter of right. Unless the opposing party or attorney agrees or acquiesces in the motion, the motion will not be granted ex parte and the Court will not rule on the motion until three (3) days after filing, or six (6) days if served by mail.

G. The motion to continue, if granted, may be granted subject to the payment of costs or expenses connected with the continuance or for the delay of the trial or hearing which are necessarily incurred by the parties or by the Court.

H. Under no circumstances and in no case will any matter be continued or removed from the Court's hearing or trial calendar without order of the Court granting such continuance or removal from the calendar.

LR54-TR16-21

Case Management Conferences

A. Status Conference

(1) A status conference may be set in any pending case on the motion of any party or on the motion of the Court. A status conference shall be held in every matter requiring one day or more of trial time.

(2) A status conference should be requested and set as soon after the initiation of the case as is reasonable, allowing the attorneys and the parties sufficient time to acquaint themselves with the nature of the case. The setting should be within 90 to 180 days after the initiation of the case.

(3) The purpose of the status conference is to schedule the disposition of the case and to establish a timetable for pre-trial procedures. The attorneys shall bring their calendars to the status conference, or have their calendar available if the conference is conducted by telephone, so that scheduling conflicts will be avoided. Matters to be scheduled at the status conference are as follows: Trial; final pre-trial conference; settlement conference; use of alternative dispute resolution; conclusion of discovery; exchange of preliminary and final lists of witnesses and exhibits and statements of contentions; names and reports of experts; filing of motions for summary judgment, briefing schedule and hearing date; filing of preliminary and final instructions, motions in limine and trial briefs.

(4) The Court will enter an order including the schedule agreed upon by the parties and the Court. The schedule may be altered only by Court order.

(5) The status conference may be held by telephone conference call. Upon scheduling the status conference, the Court shall designate the party responsible for arranging the conference call. Such arrangements shall be made far enough ahead of the scheduled conference time to allow every participant to be apprised of the manner in which the conference will be held.

B. Settlement Conference

(1) A settlement conference may be held in any pending case on the motion of any party or on the motion of the Court.

(2) The motion requesting a settlement conference shall be accompanied by a memorandum informing the Court of the nature of the case, the history of settlement negotiations, an indication of any particular impediment to negotiations, and advising the Court what benefit a settlement conference with the Court might provide to the parties. The Court must be assured that the parties have made serious, good faith efforts to negotiate prior to requesting a settlement conference.

(3) Parties will be present in person. If a party is an entity other than an individual, that entity shall be represented in person by an officer or an agent delegated to the specific task and who has the authority to negotiate a final settlement on behalf of that entity. Any insurer or entity having authority to approve any final settlement shall be present by a representative having authority to enter into a final settlement.

(4) At least one week prior to the settlement conference each party will submit to the Court a confidential settlement statement. The statement will include the party's version of the facts, an appraisal of the strengths and weaknesses of their case and realistic settlement parameters.

(5) Before the settlement conference each party and the attorney for each party must have carefully reviewed the case and their position, evaluated the same, and arrived at a realistic appraisal of the value, strength and the likelihood of success of their side of the case.

(6) The settlement conference may be scheduled at any time after the case has been pending a sufficient length of time to allow for adequate discovery and accurate evaluation of each side of the case.

C. Final Pre-trial Conference

(1) The final pre-trial conference shall be attended by counsel who will try the case and who have the authority to bind the party represented with finality in any aspect that may arise during the final pre-trial conference.

(2) The Court may require that the parties attend the final pre-trial conference or that they be available for immediate consultation with their attorneys. If a party is an entity other than an individual, that entity shall have available an officer or agent who has the full and final authority to negotiate a final settlement or to make any other commitment or take any other action with regard to that party as may arise during the final pre-trial conference. Any insurer or entity having authority to approve any final settlement shall be present by a representative having authority to enter into a final settlement.

E. The Judge of the Montgomery Circuit Court authorizes the Judge of either Montgomery Superior Court to sit as Judge of the Montgomery Circuit Court, at any time, in any case.

F. The Judges of the Montgomery Superior Courts authorize the Judge of the Montgomery Circuit Court and authorize the Judge of the other Superior Court to sit as Judge of either or the other Montgomery Superior Court, at any time, in any case.

G. A Judge of any of the three courts may sit in any of the other courts as judge pro tempore or as special judge.

H. In the event the regular judge of a court must recuse because the judge's spouse is acting as a lawyer in a proceeding, a Special Judge shall be selected pursuant to Trial Rule 79(H) and LR54-TR79-22(A).

LR54-TR26-24

Discovery

A. Objections to interrogatories or requests for admission shall be stated with specificity and certainty and the reasons therefor shall be accompanied by citation of legal authority.

B. Duplicated forms are discouraged and shall not be filed or served upon a party unless each interrogatory, request for admission or request for production of documents on such form is consecutively numbered and applicable to the case in which the same is filed and served. The intent and purpose of this Rule is to prohibit the filing of duplicated forms of stock interrogatories and requests for admission except where the nature of the case or the number of parties make the use of such forms necessary.

C. No party shall serve on any other party more than twenty-five (25) interrogatories or requests for admission other than requests relating to the authenticity or genuineness of documents without leave of Court. Subparagraphs shall relate directly to the subject matter of the interrogatory or request for admission. Any party desiring to serve additional interrogatories or requests for admission shall file a written motion setting forth the proposed additional interrogatories or requests for admission and the reasons establishing good cause for their use.

LR54-TR47-25

Voir Dire

A. The purposes of voir dire examination of prospective jurors are to select a fair and impartial jury, to discover any basis for challenge for cause, and to gain knowledge for the exercise of peremptory challenges.

B. Juror questionnaires shall be on file with the Court and copies shall be made available to counsel prior to trial. It shall be counsel's responsibility to obtain such copies and review them prior to beginning voir dire examination.

C. The Court shall place under oath the entire jury venire and all the members thereof shall remain in the courtroom during voir dire examination unless the Court orders otherwise.

D. The Court may conduct the entire voir dire examination. If it does, counsel will be advised at the pre-trial conference and will be given the opportunity to submit written questions or lines of inquiry to the Court for the Court's use in voir dire, up until no later than 72 hours prior to commencement of trial. During the course of voir dire examination counsel shall have the opportunity to supplement such written questions or lines of inquiry by submitting additional written questions or lines of inquiry to the Court.

E. In all cases the Court shall commence voir dire examination by questioning the venire as a whole with a view to establishing any bases of challenge for cause.

F. Any challenge for cause must be made by counsel at the time it becomes known, or the challenge will be deemed waived.

G. If the Court permits counsel to conduct voir dire examination upon the Court completing its examination of the venire, counsel shall have the opportunity to examine the panel seated in the jury box. Counsel shall not question those panel members if the question has already been asked and answered, if the question is based on anticipated instructions, if the question is based on a hypothetical situation which is counsel's own thinly veiled version of the facts of the case being tried, if the answer to the question is in the jury questionnaire, or if the question relates to insurance carriers, coverage, or raises the innuendo of insurance involvement in the case in any way.

H. The Court may set a time limit on counsels' voir dire examination. Otherwise counsel will be expected to question efficiently and use only a reasonable amount of time.

I. The party having the burden of proof shall proceed first, and the opposing side will follow in each round of questioning. Absent extenuating circumstances, each side shall have only one opportunity to examine each member of a seated panel.

J. After each side has completed examination of the panel, peremptory challenges shall be made in writing, given to the Court, and the Court will excuse the challenged juror. Such challenges shall be made without comment and without consultation between opposing sides. If both sides excuse the same juror, each side will be charged with one peremptory challenge. If no challenges are made, counsel shall hand the Court a written acceptance of the panel as seated. Prospective jurors not challenged as set forth herein shall be deemed accepted.

K. If peremptory challenges are made and prospective jurors excused, replacement jurors will be seated in the jury box and each side will have the opportunity to question such replacement jurors and to challenge them as set forth above for the original panel. Questioning and peremptory challenges in rounds following the examination of the original panel shall be limited to the replacement jurors only. Successive rounds of examination shall continue until a jury is selected. Alternate jurors, if ordered by the Court, shall be examined and selected by this procedure.

L. A prospective juror empanelled for voir dire examination who is not removed either for cause or peremptorily at the first opportunity for challenging is accepted as a juror and may not thereafter be challenged peremptorily, and may be challenged for cause only if such cause becomes known after the voir dire examination of such juror.

M. Only one attorney per party may question prospective jurors, object or argue objections in each round.

LR54-TR74-26

Transcripts

A. When an appeal is initiated by the filing of a Notice of Appeal pursuant to Rule 9(A) of the Rules of Appellate Procedure and a transcript for all or any part of the evidence is requested for the record on appeal, the person filing the Notice of Appeal shall contemporaneously deliver a copy of the notice to the court reporter and inform the reporter of the deadline for filing the transcript.

B. All requests for transcripts, whether or not for purposes of appeal, shall be made in writing.

C. All requests for transcripts shall be accompanied by tender to the court reporter of payment of the estimated cost of preparation of the transcript. Indigent criminal defendants, indigent civil litigants who file affidavits of indigency and are granted a transcript without payment, and certain governmental agencies are excepted from the advance payment requirement.

Appendix A

LOCAL RULE 17

Visitation Guidelines

Local Rule 17 is included as an Appendix for historical purposes. It was incorporated by reference in many orders and decrees prior to the adoption of the Indiana Parenting Time Guidelines, which was effective March 31, 2001.

It is usually in the child's best interest to have frequent, meaningful and continuing access to each parent. A visitation agreement made by both parents is preferred to a court-imposed solution. However, if parents are unable to agree on visitation, the following guidelines shall be used in most cases. In situations where the non-custodial parent may not have had on-going contact with the children, initial visitation may be shorter. Further, these provisions may not be applicable to very young children or in situations where geographical distances between parents make compliance impossible. The parents, in exercising visitation, should be flexible enough to adapt to the circumstances, the child's age, on-going activities, and any religious holidays not set out below.

Sole Custody

In sole custody orders, the primary care, custody and control of the minor children of the parties is granted to the custodial parent, subject to reasonable visitation by the non-custodial parent at such times and places as may be mutually agreed upon by the parties. If the parties do not agree, the following shall be considered the minimum visitation to which the non-custodial parent shall be entitled:

- (1) Alternating weekends from 6:00 p.m. on Friday until 6:00 p.m. on Sunday.
- (2) In years ending in an odd number:
 - (a) The night before each child's birthday;
 - (b) Easter Sunday;
 - (c) Independence Day;
 - (d) Thanksgiving;
 - (e) From 12:00 noon on December 25 until 6:00 p.m. on December 26.
- (3) In years ending in an even number:
 - (a) Each child's birthday from 9:00 a.m. until 6:00 p.m.;
 - (b) Memorial Day;
 - (c) Labor Day;
 - (d) From 9:00 a.m. on December 24 until 12:00 noon on December 25.

- (4) Every year on Mother's Day weekend if non-custodial parent is the mother, or Father's Day weekend if non-custodial parent is the father;
- (5) During summer, for pre-school age children, two nonconsecutive weeks, to be determined by May 1 of each year.
- (6) During summer, for school-age children, two nonconsecutive two-week periods, to be determined by May 1 of each year.
- (7) There shall be no weekend visitation during the period the extended visitation is exercised.
- (8) If support obligation is current, support shall abate by 50 percent during the summer visitation set out in paragraphs (5) and (6). If support is not current, the 50 percent which would have abated shall be paid and shall apply to the existing arrearage.

Unless prior arrangements are made, the non-custodial parent shall pick up the children at the times specified and return them at the times specified, and the custodial parent shall have the children ready for visitation at the time they are to be picked up and shall be present at the home to receive the children at the time they are to be returned.

The non-custodial parent shall give the custodial parent not less than three (3) days prior notice if he or she does not intend to exercise visitation, unless an emergency situation exists, in which case he or she will give as much notice as is possible under the circumstances.

Each parent shall supply the other with his or her current address and telephone number and inform the other of all changes. Each parent shall allow liberal but reasonable telephone and mail privileges with the children.

The custodial parent shall provide copies of all school and medical reports within five (5) days of their receipt and shall immediately notify the other parent in the event of a medical emergency. The custodial parent, within 24 hours of learning of such function, shall inform the non-custodial parent of school and social functions permitting the non-custodial parent's participation.

Neither visitation nor child support is to be withheld due to either parent's failure to comply with a Court order. If a dispute arises, the parties should first attempt to resolve the dispute through counseling or mediation.

If the parties agree to change the provisions of their decree of divorce, they shall petition the Court to approve and order such change. In the event that the parties do not obtain a Court order, the Court shall not be bound by any alleged agreement of the parties.

Family Court Project Rules

Definitions

Family Court “Family Court” is the court or courts before which cases involving a family or household are linked together for purposes of case coordination. The individual cases maintain their separate integrity and separate docket number, but may be given a common family court designation. The individual cases may all be transferred to one judge or may remain in the separate courts where they were originally filed.

Family Court Proceeding A “Family Court Proceeding” is comprised of the individual cases of the family or household that have been assigned to Family Court.

Rule 1: EXERCISE OF JURISDICTION

The Family Court may exercise jurisdiction over any case involving the family at the same time it exercises jurisdiction over a juvenile case (Child in Need of Services, Delinquency, Status, and Paternity) involving the family.

Rule 2: CONCURRENT HEARINGS

The Family Court may, in the court’s discretion, set hearings on related cases to be heard concurrently, take evidence on the related cases at these hearings, and rule on the admissibility of evidence for each cause separately as needed to adequately preserve the record for appeal. This rule applies only when the cases are pending before the same judicial officer.

Rule 3: DESIGNATION OF A FAMILY COURT CASE AND CHANGE OF JUDGE FOR CAUSE

Once notice is sent to the parties that a case has been selected for Family Court, no motion for change of venue from the judge may be granted except to the extent permitted by Indiana Trial Rule 76.

Within ten (10) days after notice is sent that a case may be selected for family court, a party may object for cause to the Family Court designation.

A motion for change of venue from the judge in any matters arising in the Family Court proceeding or any future cases joined in the Family Court proceeding after the initial selection of cases shall be granted only for cause.

If a special judge is appointed, all current and future cases in the Family Court proceeding may be assigned to the special judge.

Rule 4: JUDICIAL NOTICE AND ACCESS TO RECORDS

Notice of Case Assignment Within a reasonable time after a case is assigned to Family Court, the court shall provide to all parties in the Family Court proceeding a list of all cases that have been assigned to that Family Court proceeding.

Judicial Notice Any court having jurisdiction over a case assigned to Family Court may take judicial notice of any relevant orders or Chronological Case Summary (CCS) entry issued by any Indiana Circuit, Superior, County, or Probate Court.

If a court takes judicial notice of:

- (a) a court order, the court shall provide a copy of that court order; or
- (b) a CCS or CCS entry(s), the court shall provide a copy of the entire CCS.

The court shall provide copies of the order or CCS to the parties to the case at or before the time judicial notice is taken.

Access to Records Parties to a Family Court proceeding shall have access to all cases within the Family Court proceeding, with the exception of confidential cases or records to which they are not a party. Parties may seek access to the confidential cases or records in another case within the Family Court proceeding in which they are not a party by written petition based on relevancy and need. Confidential records shall retain their confidential status and the Family Court shall direct that confidential records not be included in the public record of the proceedings.

Appendix C

Plan for Allocation of Judicial Resources

Cases shall be assigned to the Circuit Court, Superior Court 1, and Superior Court 2 of Montgomery County pursuant to LR54-AR00-1 and LR54-CR2.2-1. The judges of the courts shall annually review the caseload of each court and the weighted caseload statistics published by the Division of State Court Administration to determine whether the courts are within a range of 40 percentage points of the county average utilization of judicial resources. If any of the courts is not within range, the judges shall adopt such techniques as may be appropriate to adjust filing of cases, reallocate judicial time, share facilities, obtain appointed judicial officers, increase senior judge services, or adopt other measures to reduce such disparity.

Appendix D

Jury Draw

The Judges of the three courts shall appoint a Jury Administrator or Administrators pursuant to Indiana Jury Rule 2. The Montgomery County Clerk shall compile and maintain the jury pool annually by selecting names from lists approved by the Indiana Supreme Court.

Before November 15th of each year, the Clerk at the direction of the Jury Administrator(s) shall randomly draw 2000 names from the jury pool. Those persons shall make up the prospective jurors for the three courts for the ensuing calendar year. Not later than seven days after the draw, the Clerk shall, pursuant to Indiana Jury Rule 4, mail each person whose name was drawn a notice of selection for the jury pool, a juror qualification form and a jury questionnaire.

Not less than ten days prior to a jury trial a judge shall request the Court's Jury Administrator(s) to summon a jury. The judge will advise the Jury Administrator the number of prospective jurors required and when they should appear. The Jury Administrator will then select a panel of prospective jurors to be called and cause summons, including pertinent information for prospective jurors required by the jury rules, to be issued for members of the panel at least one week prior to the trial date.

Appendix E
Electronic News Coverage Pilot Project

The Montgomery Circuit Court has been selected to participate in a pilot project authorized by the Indiana Supreme Court. The pilot project is for Electronic News Coverage in Indiana Trial Courts.

Upon being selected as a court to participate in the pilot project, the Montgomery Circuit Court adopted the following:

MONTGOMERY COUNTY)	IN THE MONTGOMERY CIRCUIT COURT
) SS:	
STATE OF INDIANA)	2006 TERM

**LOCAL RULES CONCERNING IMPLEMENTATION OF ELECTRONIC NEWS
COVERAGE PILOT PROJECT**

LR-54-AR00-6.50 The Court incorporates herein, by reference, Terms 1 through 7 and 9 of the Indiana Supreme Court’s May 9, 2006 ORDER implementing the pilot project for video and audio coverage, still news photography, and radio news coverage of Trial Court proceedings. Those terms are attached as Exhibit A.

LR-54-AR00-6.51 The Pool Coordinator, contemplated by Term 9 of the Supreme Court’s Order, shall advise the court of the pooling arrangement which shall be subject to the approval of the trial court and the Indiana Supreme Court.

LR-54-AR00-6.52 The court, the Pool Coordinator, and the media representatives who will be working the trial or hearing will meet the day before the hearing or trial to establish locations from which the media will work, to review these rules, and address any issues that may arise.

LR-54-AR00-6.53 The media must be as inconspicuous and unobtrusive as possible.

LR-54-AR00-6.54 The court has prepared a consent form. The court will provide the Pool Coordinator a copy of the consent signed by the parties and the judge. Once the consent has been given it shall be in force unless the court authorizes a withdrawal of the consent for good cause, or the court terminates or limits the electronic photography and reporting to meet the ends of justice.

LR-54-AR00-6.55 The media will have the duty to investigate the cases on the court calendar to determine what cases would be suitable for electronic coverage. To that end the media should designate one person as court liaison to track the court's calendar.

LR-54-AR00-6.56 The pilot project under which the electronic coverage of trial court proceedings is permitted is an exception to the Code of Judicial Conduct Canon 3B(12) and as such is to be executed narrowly to stay within the bounds of the exception, and not run afoul of the canon. Nevertheless, the Terms of the Supreme Court's Order and these rules will be broadly construed so as to effectively implement the spirit and intent of the Supreme Court's Order.

1. **Term.** July 1, 2006-December 31, 2007.

2. **Consent.** Coverage by camera and/or recorder as provided in this order may not be permitted except upon the written consent of the trial judges and the parties involved.

3. **Scope.** All civil and criminal proceedings will be eligible for camera and recorder coverage by the news media, except for proceedings not open to the public, either by state statute or Indiana Supreme Court rules. Additionally, the presiding judge shall have the authority to interrupt or prohibit the coverage of any part of a trial or proceeding if he or she deems such stoppage appropriate to meet the ends of justice.

4. **Prohibitions Regarding Coverage.** The presiding judge shall prohibit the filming and audio recording of the following:

- a. Police informants;
- b. Undercover agents;
- c. Minors;
- d. Victims of sexual abuse, assault, or other sex-related offenses;

The still camera to be utilized is prohibited from using a flash or motorized film advancement. An existing audio system is to be used whenever adequate. Camera and recorder locations are to be set up only in areas designated by the presiding judge after consultation with the media. All cameras are to be on tripods and produce no distracting sound.

6. **Media Personnel.** Media personnel themselves are to be non-intrusive to the judicial process. Personnel may enter and leave only prior to the commencement of proceedings, during recess, or after adjournment. Appropriate attire is required.

7. **Equipment.** Media equipment can be set up or removed only prior to the commencement of proceedings, during recess, or after adjournment. There are to be no distracting lights or sounds.

8. **Pool Coverage.** For each trial involved in this pilot proposal, the media shall designate a coordinator whose responsibility shall be securing compliance with these provisions and coordinating a pooling arrangement. Specifics of the pool covered will be determined by the trial judge, in consultation with a representative from the Indiana Supreme Court. The media shall agree in advance of court proceedings as to the appropriate pooling arrangement. If the media cannot so agree, camera or audio recording coverage shall not be permitted. The purpose of this provision is to eliminate the necessity of involving the presiding judge in the resolution of any such dispute.

Criminal Appendix D Plan for Allocation of Judicial Resources

Cases shall be assigned to the Circuit Court, Superior Court 1, and Superior Court 2 of Montgomery County pursuant to LR54-AR00-1 and LR54-CR2.2-1. The judges of the courts shall annually review the caseload of each court and the weighted caseload statistics published by the Division of State Court Administration to determine whether the courts are within a range of 40 percentage points of the county average utilization of judicial resources. If any of the courts is not within range, the judges shall adopt such techniques as may be appropriate to adjust filing of cases, reallocate judicial time, share facilities, obtain appointed judicial officers, increase senior judge services, or adopt other measures to reduce such disparity.

Criminal Appendix E Jury Draw

The Judges of the three courts shall appoint a Jury Administrator or Administrators pursuant to Indiana Jury Rule 2. The Montgomery County Clerk shall compile and maintain the jury pool annually by selecting names from lists approved by the Indiana Supreme Court.

Before November 15th of each year, the Clerk at the direction of the Jury Administrator(s) shall randomly draw 2000 names from the jury pool. Those persons shall make up the prospective jurors for the three courts for the ensuing calendar year. Not later than seven days after the draw, the Clerk shall, pursuant to Indiana Jury Rule 4, mail each person whose name was drawn a notice of selection for the jury pool, a juror qualification form and a jury questionnaire.

Not less than ten days prior to a jury trial a judge shall request the Court's Jury Administrator(s) to summon a jury. The judge will advise the Jury Administrator the number of prospective jurors required and when they should appear. The Jury Administrator will then select a panel of prospective jurors to be called and cause summons, including pertinent information for prospective jurors required by the jury rules, to be issued for members of the panel at least one week prior to the trial date.
