Case No. 2:13-CV-107 JD

Order

Pursuant to Indiana Appellate Rule 64, the United States District Court for the Northern District of Indiana certified a question of Indiana state law for this Court's consideration. The question arises in Robertson v. The Medical Assurance Company, Inc., No. 2:13-CV-107 JD (N.D. Ind.). The district court tendered its certified question on June 6, 2014.

On May 12, 2015, the District Court entered an order dismissing the underlying federal action with prejudice, based on the parties' stipulation of dismissal, and directing its clerk to notify us that the certified question "has been rendered moot by this dismissal."

Being duly advised, the Court now DISMISSES this proceeding as moot.

Done at Indianapolis, Indiana, on 5/19/2015.
