

PRO BONO LEXISNEXIS REQUEST FORM

Attorneys engaged in the pro bono representation of a client may use this form to request free LexisNexis time. Thanks to the efforts of the Indiana State Bar Association (ISBA), LexisNexis awarded the ISBA and the Indiana Pro Bono Commission (IPBC) an annual grant of LexisNexis research, free of charge. The research must, however, be used in the course of representing a lower income client with the understanding that your services are provided free of charge.

Please fill out the top of this form and fax it to Susan Jacobs at the ISBA at 317-266-2588. The ISBA will provide you with the access number. Please return the completed form as soon as you have completed your research. For more resources, please consult the IPBC Website at www.in.gov/judiciary/probono.
