COST OF COLLEGE:

ACHIEVE YOUR DREAM

With a little bit of research and smart planning, you can make paying for college a reality. Fill in the boxes below with majors you're interested in at Indiana colleges – see the first line as an example. (Unsure what majors fit your goals? Browse college's homepages for lists of schools and majors they offer). Then, use *IndianaCollegeCosts.org* to fill out your estimated net cost of college, after financial aid. Check off the boxes to see how realistic your plans are!

How will you pay? Check all that apply.

College	Major	Net Cost from <i>IndianaCollegeCosts.org</i>	Scholarships and Grants	Savings	Family Contribution	Loans	Other
Ball State	Information Systems	\$8,686/year	✓	✓		✓
