Questions to GET YOU STARTED

Test your high school graduation and go-to-college IQ with this important worksheet. If you don't know the answers to any questions, look for them as you read *OnTrack* or ask your school counselor.

ONTRACK for Graduation?

Yes No

- Are you taking at least one AP, IB, Honors or dual credit course this semester? (p. 9)
- Are you taking a math course?
- Are you on track to completing Core 40 with Academic Honors or Core 40 with Technical Honors? (p. 11)
- Are you taking a world language? **Bonus tip!** The Core 40 with Academic Honors requires 6-8 credits of World Languages, so it's in your best interest to start now. (p. 11)
- Have you evaluated your test scores and report cards to identify subjects that need more of your attention? (p. 9)

ONTRACK for College?

Yes No

- Have you taken or signed up for the PSAT and/or PLAN? (p. 8)
- Have you registered for Indiana e-transcript on your high school's website?
- Are you involved in a student organization or community service? (p.8)
- Have you researched college majors or apprenticeship programs? (p. 14)
- Do you know what the FAFSA is? (p. 12)
- Have you researched college scholarships? **Bonus tip!** Check out in.dollarsforscholars.gov.

What's your IQ? The more "yes" boxes you checked, the more on track you are to completing high school and college successfully - and connecting to the career you want. Missed more than a few? It's not too late to talk to your school counselor, parents and teachers and get on track.
