

## **Chapter 7**

# **Resource Sharing**

Evergreen Indiana is a growing consortium of more than 130 public, school and institutional libraries and library systems throughout Indiana that use the Evergreen ILS. Patrons of member libraries can use

their Evergreen Indiana library card to view the catalogs and borrow materials from other member libraries. The Evergreen Indiana catalog, the largest catalog in the state, may be viewed at: <a href="mailto:evergreen.lib.in.us/eg/opac/home">evergreen.lib.in.us/eg/opac/home</a>.

The Evergreen Indiana project is funded by a combination of Library Services and Technology Act [LSTA] grant funds, state funds, and participant membership fees. The services provided by the State Library include purchasing and maintaining the central servers, personnel costs in operating the system, training, software development, data conversion, and other related expenses.

The consortium is currently accepting applications from libraries seeking to migrate to Evergreen. Requests for membership are approved by the Evergreen Indiana Executive Committee. Libraries interested in joining the consortium must have board approval and submit a completed Evergreen Indiana Membership Packet, which may be found at on the Evergreen blog: <a href="https://blog.evergreen.lib.in.us/?page\_id=3084">https://blog.evergreen.lib.in.us/?page\_id=3084</a>.

Evergreen Indiana libraries are eligible to join the Indiana Digital Library. Participants have access to thousands of digital audiobooks, e-books, and videos through OverDrive.

For up-to-date information on participating libraries, including both a directory and an interactive map of current members, visit <a href="https://blog.evergreen.lib.in.us/?page\_id=2558">https://blog.evergreen.lib.in.us/?page\_id=2558</a>.

For more information about Evergreen Indiana contact: Courtney Brown, Evergreen Indiana Library Consortium & Evergreen Community Development Initiative, at 317-232-3691 or <a href="mailto:cobrown@library.in.gov">cobrown@library.in.gov</a>.

**InfoExpress** is the statewide library courier service managed by the Indiana State Library. Nearly 400 public library districts, school districts, academic, institutional, and special libraries are connected by the InfoExpress courier system.

Fees for InfoExpress are based on the number of deliveries per week. Participants determine how many days a week (weekdays only) they need pick up and delivery, based on volume.

The daily rate for InfoExpress is \$1,634/day. In order to offer the lowest possible delivery service cost for all Indiana libraries, the State Library provides state taxpayer money to subsidize the cost of one delivery per week per library district. Member institutions within standards receive an upfront subsidy of \$610 for the 2025-2026 year. Additionally, these libraries can qualify for the Resource Sharing rate, which features an additional \$210 annual subsidy for a second day of service. To qualify for the Resource Sharing Rate, a library must meet one of the following criteria:

- Subscribe to 5-day-a-week InfoExpress service
- Subscribe to OCLC ILL System
- Participate as a member of Evergreen Indiana
- Is a net lender (# lends / # borrows >= 1.0)

#### 2025-2026 Rates (Effective 1 July 2025)

Frequency of Delivery	In Standards Rate	Resource Sharing	Out of Standards
		Rate	Rate
One Day	\$1,024	\$1,024	\$1,634

Participants use the InfoExpress website to create shipping labels and manifests, as well as to request related supplies (bags, zip ties). To learn more about how to use InfoExpress visit https://digital.statelib.lib.in.us/infoexpress/.

You may also contact InfoExpress staff at <a href="mailto:infoexpress@library.in.gov">infoexpress@library.in.gov</a>, or call 317-232-3699 or instate toll-free 800-451-6028

The Indiana Share program allows a large variety of libraries from around the state to request interlibrary loan materials through the Indiana State Library using ILLiad software. State Library staff submit the interlibrary loan requests on behalf of the requesting libraries.

Lending libraries ship the materials to requesting libraries via InfoExpress or library-rate postage.

To learn more about the program including how to submit requests and check item status, as well as a brief tutorial on using Indiana Share, please visit the Indiana Share website: <a href="https://www.in.gov/library/services-for-libraries/ishare/">https://www.in.gov/library/services-for-libraries/ishare/</a>.

The Public Library Access Card (PLAC) is the name for the statewide library card, enacted in 1993 by <a href="Indiana Code 4-23-7.1-5.1">Indiana Code 4-23-7.1-5.1</a>, with rules promulgated in 590 IAC 3 (<a href="www.in.gov/legislative/iac/T05900/A00030.PDF">www.in.gov/legislative/iac/T05900/A00030.PDF</a>). The PLAC program allows an individual to borrow materials directly from any public library in Indiana. Books and non-book materials that normally circulate are eligible for loan through the PLAC program. Use of e-books and e-

audiobooks are often restricted or not available to PLAC borrowers, as vendor agreements may limit circulation of these items. Any individual who holds a valid Indiana public library card may obtain a PLAC card.

The fee for a PLAC in calendar year **2025** is **\$70.00**.

Information on the PLAC program, including the guidelines below, can be found at <a href="https://www.in.gov/library/about/general-information/policies-of-the-indiana-state-library/plac-rules-and-guidelines/">https://www.in.gov/library/about/general-information/policies-of-the-indiana-state-library/plac-rules-and-guidelines/</a>

#### PLAC WORKING GUIDLINES

#### **Issuance of Card**

- 1. **Availability of cards**. The Indiana State Library will provide a supply of numbered Public Library Access Cards at no cost to each public library in the state. Orders for additional Public Library Access Cards may be made by emailing Angela Downs at adowns@library.in.gov.
- 2. **Appearance of card**. The Public Library Access Card (PLAC) contains the following information: name of cardholder, address of cardholder, home public library of cardholder, issuing library, issuing date, and expiration date of card. The issuing library will complete these sections in ink. Cards are issued only to individuals, not to families or groups.

#### **Definitions**

The **home public library** (590 IAC 3) is the public library where an individual is a resident or real property taxpayer in the taxing district of the library, or library from which a nonresident has purchased a card.

The **issuing library** is where the PLAC is purchased. It may be any public library in the state, not just the home library.

**Guideline (a):** Eligibility for PLAC. An individual who is in "good standing" and eligible to obtain a valid resident or nonresident library card from one of the 236 public libraries in the state of Indiana qualifies to obtain a PLAC (I.C. 4-23-7.1-5.1). A law passed in 1996 allows an individual to obtain a PLAC at any public library in Indiana.

**Guideline (b):** "Good Standing" is defined at the local library level. Rules or guidelines used at the local library to determine eligibility for a local library card should also be applied when an individual requests to purchase a PLAC.

**Guideline (c):** A family PLAC will not be issued. The card is issued only as an individual card to one specific person. The local library's guidelines regarding use of a library card by a

person other than the actual cardholder should be followed if a family member wishes to borrow using a PLAC.

**Guideline (d):** A public library may choose to issue its own library card to an individual holding a PLAC to properly check out materials to the patron. This determination is made at the local library level. Any local card that is issued to a PLAC cardholder should be marked clearly with the PLAC expiration date. Libraries that have computerized registration files should mark the expiration date of the PLAC cardholder's record in the database. PLAC cardholders may be required to show both the PLAC and the local library card to check out materials according to the lending library's rules.

3. **College/University Student PLAC**. Resident students are not required to have a PLAC to use the local public library in the college/university community. Local libraries should follow their existing policies for issuance of student cards to local college/university or other post-secondary school students.

If a college student wants to borrow materials from a public library other than their home library or the library in the college/university community where they reside, then the student will need to be issued a PLAC.

- 4. **Refunds**. No refunds of fees paid for a PLAC will be made under any circumstance.
- 5. **Replacement Card**. When a cardholder's PLAC is lost or stolen, the cardholder will be issued a replacement card at the library where the PLAC was issued; the expiration date remains unchanged. The fee for the replacement card will be \$1.00 (subject to annual review by the Indiana Library and Historical Board) and will be remitted to the Indiana State Library. Names, addresses, and card numbers of individuals who are issued replacement cards must appear on the PLAC Quarterly Report Form.

#### Fee Collection for Card

- 6. Payment for PLAC. An individual may pay either by cash or by check when obtaining a PLAC. Checks should be made out to the public library issuing the PLAC. If a library accepts debit or credit cards as payment, an individual may use their debit or credit card to purchase a PLAC. Collection and deposit of fees should be recorded by the issuing library according to the prescribed method of the Indiana State Board of Accounts.
- 7. **Submitting Fees to the Indiana State Library.** Collected PLAC fees should be remitted to the Indiana State Library on a quarterly basis using the PLAC Quarterly Report Form.

#### Types of Materials Eligible for Loan to PLAC Patrons

8. **Books**. Includes: hardbound print books, paperback print books, large print books and lap or board books. Physical books that normally circulate must be available for loan to PLAC

cardholders.

E-books and e-audiobooks are often ineligible for PLAC loans due to vendor restrictions.

- 9. **Non-book Materials**. Includes: DVDs, CDs, records, art prints, slides, microfiche, pamphlets, periodicals (single or bound issues), etc. Non-book materials may be loaned to PLAC cardholders at the discretion of the individual library.
- 10. **Annual Determination of Eligible Materials.** Each library will be required to annually determine what types of materials will be loaned to PLAC cardholders.

#### **Statistics & Recordkeeping**

11. **Required Statistics.** Each library will be required by the State Library to keep statistics recording the home library of each PLAC cardholder who borrows materials as well as the number of items borrowed by PLAC cardholders.

#### **Overdue & Lost Materials**

- 12. **Fees.** Each individual library will determine the daily overdue fee for library materials loaned to PLAC cardholders by policy set by the Board of Trustees of that library.
  - **Guideline (a):** It is recommended that this daily fee be the same that is charged to local residents and a separate fee scale for PLAC users not be established by libraries.
  - **Guideline (b):** In the spirit of cooperation, when feasible, libraries should alert other libraries to problem borrowers having PLAC privileges that have accrued sizable overdue fines or have lost an inordinate number of items borrowed through the program.
- 13. **Replacement Cost.** Reimbursement for lost library material borrowed on a PLAC is the responsibility of the borrower, not the borrower's home library. The replacement cost of an item is determined by the lending library.
- 14. **Materials Returned to the Wrong Library**. The library to which the PLAC cardholder returns borrowed materials may determine if a fee will be charged to the PLAC cardholder if that library is not the lending library. If a fee is charged, the library to which the materials are returned is responsible for collecting the fee.

**Guideline:** PLAC users should be informed that they are expected to return materials borrowed using a PLAC to the lending library.

#### **Library Reporting Responsibilities**

15. Statistics. Each public library is expected to report all required borrowing statistics that

have been kept on the Public Library Access Card Program as a part of the Annual Report. The Board President shall attest to the accuracy of the PLAC report.

- 16. **Eligible Materials for Loan**. Each public library will be required to annually file with the State Library a report detailing what library materials will be loaned to PLAC cardholders.
- 17. **Failure to Report**. Failure to submit a complete statistical report to the Indiana State Library by the deadline established will result in the following action taken: 1. withholding of funds due to the library as a result of loans made in the program; 2. determination that the library is in non-compliance with Minimum Standards for Public Libraries; 3. withholding of state and federal funds to the library by the Indiana State Library.

#### **Local Agreements**

**Definition**: a local or regional agreement made between two or more libraries that residents of each library district may borrow items from a public library in the other district(s). (Another type of local agreement: a resolution by a local library board that the library will allow anyone with a public library card from another library in the state to borrow materials.)

- 18. **Library Requirements**. All local agreements must be in writing and approved by the participating libraries' boards of trustees. (These are required to be placed on file at the State Library.)
- 19. **Loans Made.** Loans to individuals whose libraries have local agreements may not be counted and submitted as statistics for reimbursement as part of the statewide PLAC program.

#### **Payment to Libraries**

20. **Net Loans.** Payments of funds for this program will be made on the basis of **net loans** (Indiana Code 4-23-7.1-5.2(d)). Money paid into the PLAC Program fund to the Indiana State Library plus the interest earned on this fund during a calendar year will be divided by the number of net loans made to the PLAC cardholders, and the resulting figure will be the per net loan figure paid to libraries. By August 1 of each year, each eligible public library will receive payment for its net loans made during the previous calendar year.

**Definition** of PLAC net loans: a greater number of loans made by a library to PLAC cardholders from outside its district than loans made by PLAC cardholders from within its district at other libraries.

21. **Requirements to Receive Payment.** Public libraries with net PLAC loans must meet Minimum Standards for Public Libraries in order to be eligible for reimbursement through

the PLAC Program. A library will need to complete and sign a voucher to finalize the reimbursement process.

22. **Appeal Procedure.** A public library determined to be in non-compliance with the terms of the Public Library Access Card Program will have the option to appeal the decision at the first Indiana Library and Historical Board meeting following the notification to the public library of the judgment. The Indiana Library and Historical Board will render a final decision after hearing the library's appeal.

Request additional cards by e-mailing  $\underline{mlang@library.in.gov}$  and  $\underline{adowns@library.in.gov}$ . Cards are packaged in packs of 50.

## **Reciprocal Borrowing**

#### **Statewide Reciprocal Borrowing**

Participating libraries sign a statewide reciprocal borrowing covenant that allows users from any participating library to borrow books in person at public libraries all over Indiana.

Any person who has a current resident library card from their local library can use reciprocal borrowing privileges to borrow from other libraries that participate in the statewide agreement.

Cardholders from contracting townships are not eligible for this program.

A current list of participants is included at the end of this chapter.

For those libraries wishing to participate in the statewide reciprocal borrowing program, a covenant has also been included in this chapter; it is also online at . The reciprocal borrowing covenant is found online at <a href="https://www.in.gov/library/files/Statewide-Reciprocal-Borrowing-Convenant.pdf">https://www.in.gov/library/files/Statewide-Reciprocal-Borrowing-Convenant.pdf</a>. It must be filled out and returned to the LDO office to participate in the program and be added to the list.

Any questions need to be directed to the Indiana State Library, Library Development Office at 1-800-451-6028.

#### **Local Reciprocal Borrowing**

A local or regional agreement is defined as an agreement between two or more libraries that allows residents of each library district to borrow items from a public library in the other library district(s), or a resolution by a local library board that the library will allow anyone with a public library card from another library in the state to borrow materials.

All local agreements must be in writing and approved by the participating libraries' boards of trustees. For recordkeeping purposes, copies of local agreements are filed with the Indiana State Library.

#### **PLAC and Reciprocal Borrowing**

Do not require a Public Library Access Card (PLAC) if the patron's home library is part of a reciprocal agreement and they are a taxed resident of that home library. Only issue a PLAC if residents wish to borrow materials from a library that does not have a statewide or local agreement with their home library.

Do not count loans made to individuals whose libraries have local agreements as part of the PLAC Program. The only loans that are reimbursed in the PLAC Program are those made to PLAC cardholders.

#### **Nonresident Fees**

According to Indiana Code (IC 36-12-2-25), a resident of Indiana in an unserved area may purchase library services from any one of the 236 library districts. The **minimum** fee for a nonresident card is \$25.00 **or** the library's expenditure per capita – whichever is greater. A nonresident fee may be set higher than the library's operating fund expenditure per capita. The operating fund expenditure per capita numbers for Indiana's public libraries are found in latest published year of <u>Public Library Statistics</u> (Table 4).

 Public Library

**Reciprocal Borrowing Covenant** 

**WHEREAS,** it is to the advantage of the people of Indiana that intellectual materials be accessible to them; and

WHEREAS, public libraries have been developed to promote access to intellectual materials available in organized collections of such materials in locally supported public libraries; and

WHEREAS, the parties to this agreement desire to fulfill their obligations and purposes in this regard do

**HEREBY,** covenant between them on behalf of the people in their library district to permit any person holding a valid resident borrower's card from any library which is a party to the Covenant access to circulating materials, such an arrangement being generally referred to as reciprocal borrowing, subject only to the conditions set forth here following:

- 1. Users of this arrangement are expected to
  - a. Conform to the rules and regulations of the institution from which they borrow
  - b. Present a valid resident borrower's card issued by their local library as evidence of their eligibility for this service; and
  - c. Pay promptly all delinquency charges which may accrue against them
- 2. Participating libraries agree to assist each other, if necessary (on request) in recovering materials.
- 3. Participating libraries may limit this activity to specific eligible materials at their discretion, but are encouraged to provide unlimited access.
- 4. Participating libraries are not required to take reserves or initiate interlibrary loan requests for reciprocal borrowers.

This covenant becomes effective on the latest date shown below and shall remain in force until either party wishes it modified or canceled. A copy of this agreement shall be filed with the Indiana State Library upon signing, whereas to facilitate the compilation of a statewide listing of participating libraries.
