Agenda Items

Item	Topic	Facilitator	Notes (conclusions, discussions, decisions, and next steps)
1	Open Meeting	Meredith	Review past action items and update statuses • 512 and 545 went into production on 8/10. Allows 15 month timely filing for managed care encounters. Encounters submitted after 90 days were receiving a timely filing denial. CareSource requested an extension for the void and replacement claims as well, which have a 2 year filing limit in the contract. The state will consider this request.
2	Frail Processing in IEDSS	Keena Baumer	Update on processes to improve delay in members moving to state plan benefits • IEDSS is developing batch process for frail and pay records so they will not have to be worked on a case by case basis. There is no go live date at this time. Keena will plan to give an update at the next meeting.
3	IEDSS Migration	Nonis Spinner	Update on migration, any known issues • Marion County migration completed on 8/8, there are no known issues • Members should not be closing except for incarceration, death, moving out of state, or voluntarily withdraw. • Today is the adverse action date, extensions will happen afterwards. • Anthem will send over term records that did not come back after adverse action. Other MCEs are welcome to do the same, especially if they see a large number of terminations.
4	PMP Update Issue	Ginger Brophy	October Implementation plans from DXC • Need a plan in the next three weeks from DXC • MCEs must be included in the end to end testing of the fix.
5	MCE Pregnancy Issues	Nonis Spinner /Xenia Hastings	Update on pregnancy errors from May agenda • Members that are having old pregnancy data inserted into Core. Members that have old pregnancies in Core that were not cleaned up in the previous effort. • A new clean up list was sent to Xenia at DXC to fix. Some may need to be fixed by ICES/IEDSS. • DXC fixes were being overwritten by IEDSS files. • Keena will assist in researching this problem.
6	Request for updates on CR 59701	Meredith Edwards	Requested Centralized Managed Care Submission • No plan to implement this CR at this time.
7	Request for updates on 61206	Meredith/ Stephanie	Removing Taxonomy Code to Match Billing Provider Info
