Agenda Items

Item	Topic	Facilitator	Notes (conclusions, discussions, decisions, and next steps)
1	Open Meeting	Meredith	Review past action items and update statuses
2	Frail Processing in IEDSS	Keena Baumer	Update on processes to improve delay in members moving to state plan benefits • IEDSS is developing batch process for frail and pay records so they will not have to be worked on a case by case basis. CR 688374, scheduled to be in release 12, in March 2021.
3	PMP Update Issue	Ginger Brophy	October Implementation plans from DXC • MCEs must be included in the end to end testing of the fix. • Kick off meeting will be scheduled with MCEs in September. • DXC: Finalizing test plan and will share in advance of kick off meeting. Testing is anticipated to take a week with the MCEs. • DXC: Setting up test members now, MCEs will need to take action as well. DXC will run the annual batch maintenance and will have the MCEs run their process. • DXC: The 834s only provide the current PMP segment the MCEs won't be able to see the future assignment. As a part of the testing, DXC will provide the screenshots showing the future date assignments to validate it was applied correctly to the future segment. DXC will provide instruction on how exactly MCEs are to submit the PMP assignments. The interface document will be updated as well.
4	IEDSS Payfiles for Conditional Members	Meredith/Kaitlyn Feiock	IEDSS is now creating payfiles for HIP members. The day following authorizing a conditional member IEDSS will mock up a payfile and use it to move the individuals to Plus. MCEs should see a member come through as conditional and the very next day change to Plus coverage without the MCE sending a payfile.
5	Pharmacy TMSIS Issue	Stephanie Guetig	TMSIS CMS submission • Two major issues ○ Member's eligibility has changed since the claim was paid. Appears the MCE has paid claims for individuals who aren't their members ○ Member's eligibility is completely termed on date the claim is paid. Some of these appear to be linked to member date of death. • Will need separate meeting with MCE pharmacy and eligibility teams.
6	Meeting changes	Dennis/Craig	Dennis and Craig will be taking over as facilitator on meetings going forward. New invitation will be sent.
			NOTE: The State will be working remotely starting 3/17/2020 following Gov. Holcomb's directive in efforts to slow down the spread of COVID 19. All meetings and business operations will be continued as scheduled.

2.	DXC	10/1	DXC will provide the guidelines and testing information for the PMP fix	In progress

List of DXC COVID-19 Related CRs, including edit revisions

ID: CR2871
Title: Edit 1010 temporary post and pay due to COVID response
Change Desc: OMPP, at the direction of executive leadership, is asking DXC to temporarily post and pay edit 1010 "rendering provider not member of billing group" for claim type M for dates of service on or after 4/1/2020, until the conclusion of the public health emergency. This change will allow rendering providers to move to different locations more freely throughout the duration of the COVID public health emergency.

Claim type B already post/pay.
Claim type D will remain active
