## IHCP announces IEP-related nursing services rate for calendar year 2021

The Indiana Health Coverage Programs (IHCP) provides coverage for nursing services rendered by a registered nurse (RN) who is employed by or under contract with an IHCP-enrolled school corporation provider. Covered services must be medically necessary, as ordered by a physician, and provided in accordance with an IHCP-enrolled student's Individualized Education Plan (IEP).

Pursuant to the Indiana Medicaid State Plan, the annual reimbursement rate for Current Procedural Terminology (CPT<sup>®1</sup>) code 99600 TD TM – *IEP-related nursing services, per 15 minutes* is calculated based on the most recent home health cost reports required from all home health providers billing the IHCP for services. As stated in *IHCP Bulletin BT201904*, home health agencies are no longer required to submit cost reports because the reports are no longer used to set home health reimbursement rates. The current home health rates will remain in effect until revisions to the reimbursement rules are promulgated.

For this reason, the rate for IEP-related nursing services for calendar year 2021 will remain unchanged from the calendar year 2020 rate. Accordingly, for claims with dates of service (DOS) from January 1, 2021, through December 31, 2021, the maximum reimbursement rate for CPT code 99600 TD TM is \$10.87 per 15 minutes. Coverage policy and billing instructions published in the [School Corporation Services](#) provider reference module remain the same. Pricing for the 2021 calendar year will be reflected in the *Professional Fee Schedule*, accessible from the [IHCP Fee Schedules](#) page at [in.gov/medicaid/providers](http://in.gov/medicaid/providers).

## Issue with reimbursement of claims for day habilitation services

The Indiana Family and Social Services Administration (FSSA) Office of Medicaid Policy and Planning (OMPP) is informing providers that the FSSA is aware of reimbursement issues with claims for day habilitation services under the Family Supports Waiver (FSW) and Community Integration and Habilitation (CIH) waiver programs. The OMPP is working diligently with the Division of Disability and Rehabilitative Services (DDRS) Bureau of Developmental Disability Services (BDDS), and Gainwell Technologies (formerly DXC Technology) to correct this issue.

Claims for the following code and modifier combinations with dates of service (DOS) on or after August 1, 2020, may have processed incorrectly:

- T2020 U5 U7
- T2020 U1 U5 U7
- T2020 U5 U7 UA
- T2020 U5 U7 UB

*continued*

The Indiana Health Coverage Programs (IHCP) will announce an update when the reimbursement issue has been resolved, including how affected claims will be processed.
