## IHCP to host webinar on principles for ethical and compassionate opioid tapering

The Indiana Health Coverage Programs (IHCP) will host a live webinar on Thursday August 12, 2021, from 11 a.m. to 12:30 p.m. Eastern Time about principles for ethical and compassionate tapering of opioid treatments. This webinar will be hosted by Dr. Noah Nesin, M.D., Fellow, American Academy of Family Physicians (FAAFP). Dr. Nesin will discuss criteria and strategies for weaning IHCP members from opioid prescriptions (“de-prescribing”) over the long term and “compassionate tapering.”

Additionally, Dr. Nesin will offer resources to help providers align their services with the Drug Utilization Review (DUR) Board’s implementation of the *Substance Use-Disorder Prevention that Promotes Opioid Recovery and Treatment for Patients and Communities (SUPPORT) Act* to include Indiana Medicaid members. Providers will have an opportunity to ask questions.

To participate in the webinar on August 12, go to <https://indiana.adobeconnect.com/indiana> to sign in. Ensure that Guest is selected, type your name, and click **Enter Room**.

Please note:
