APRIL 26, 2022

IHCP end-dating HCPCS A2003

On Jan. 26, 2022, the Centers for Medicare & Medicaid Services (CMS) issued and updated their Healthcare Common Procedure Coding System (HCPCS) code set. This update included terminating HCPCS code A2003 – *Bio-ConneKT wound matrix, per square centimeter*, which had been created in error during their 2022 annual HCPCS update. The Indiana Health Coverage Programs (IHCP) is following suit and removing A2003 from CoreMMIS, effective immediately and retroactive to dates of service on or after **Jan. 1, 2022**.

This change corrects information published in *IHCP Bulletin* [BT2021113](#) regarding HCPCS code A2003. The corrected information will be reflected in the next regular update to the fee schedules, accessible from the [IHCP Fee Schedules](#) page at in.gov/medicaid/providers, and to the following code table documents, accessible from the [Code Sets](#) page at in.gov/medicaid/providers:

- *Revenue Codes With Special Procedure Code Linkages*
- *Podiatry Services Codes*

IHCP will accept current Consent for Sterilization forms until CMS notifies of updated forms

The current Consent for Sterilization forms (HHS-687 in English and HHS-687-1 in Spanish) have an expiration date of April 30, 2022. However, the Indiana Health Coverage Programs (IHCP) will continue to accept these versions of the forms for claims adjudication until the Centers for Medicare & Medicaid Services (CMS) advises in writing that the current forms have been updated. IHCP will accept old versions of the form until May 30, 2022. Providers can find the English and Spanish versions of the form in the Claim Forms (Nonpharmacy) section of the [Forms](#) page at in.gov/medicaid/providers.
