INDIANA HEALTH COVERAGE PROGRAMS BT202324 MARCH 21, 2023

## 2023 IHCP Roadshow to be held in April and May

The Indiana Health Coverage Programs (IHCP) will host the 2023 IHCP Roadshow at six locations throughout the state of Indiana, starting April 18 and concluding May 18.

After three years of a public health emergency (PHE), the IHCP wants to use this year’s Roadshow as an opportunity for relationship building. These events will allow for face-to-face discussion of current and future initiatives by the Family and Social Services Administration (FSSA), Gainwell Technologies and all of IHCP’s business partners.

This year’s Roadshow will resemble an “Open House” format in which providers will have the opportunity to speak one-on-one with the FSSA and each business partner regarding the providers’ specific questions and current partner initiatives. Providers are encouraged to come prepared with any policy-related questions.

---

***Providers should not bring actual claims or claim-related questions to the IHCP Roadshow.***

---

A representative from the Office of Medicaid Policy and Planning (OMPP) will give a 15- to 20-minute presentation that will highlight 2023 key focuses and initiatives, followed by a brief introduction from each business partner before beginning the open house portion of the event. This shorter, half-day format will give providers the opportunity to build relationships with their region representatives. See Table 1 for session details.

Providers may register for the 2023 IHCP Roadshow using the [Workshop Registration Tool](#), accessible from the IHCP provider website at [in.gov/medicaid/providers](http://in.gov/medicaid/providers).
