INDIANA HEALTH COVERAGE PROGRAMS    BT202355    JUNE 1, 2023

## IHCP will host webinars to discuss the NEMT brokerage carve-out policy changes

As announced in *Indiana Health Coverage Programs (IHCP) Bulletins* [BT202352](#) and [BT202353](#), effective July 1, 2023, nonemergency medical transportation (NEMT) for fee-for-service (FFS) nursing facility residents and nonemergency advanced life support (ALS) and basic life support (BLS) ambulance services are being carved out from the FFS NEMT broker, Verida.

The IHCP will host three live webinars in June to discuss these changes to NEMT brokerage policy. Providers will also have an opportunity to ask questions.

Table 1 lists the three webinars and their target audience. Click the registration link for the desired session to register for the webinar. After registration is completed, an email will be sent to you with the link to join the meeting. If you wish to log in using your mobile device, download the Microsoft Teams mobile application from your device's app store.

For those who cannot attend the webinars, a recording will be posted later on the [IHCP Live](#) page at [in.gov/medicaid/providers](https://in.gov/medicaid/providers).
