INDIANA HEALTH COVERAGE PROGRAMS    BT202358    JUNE 6, 2023

## IHCP to retire banner pages June 13

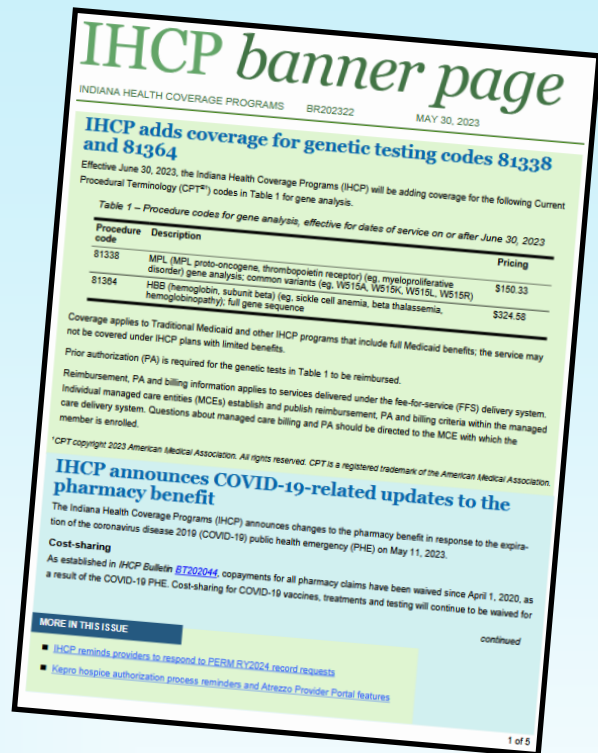

The Indiana Health Coverage Programs (IHCP) will be migrating to one publication type, bulletins, and retiring the multi-article banner pages on June 13, 2023. All IHCP provider publications published after June 13 will be published as single-article publications, known as bulletins.

IHCP bulletins will still be published twice a week on Tuesdays and Thursdays and will provide official notice of new and revised policies, program changes, changes to claim processing and billing, information about special initiatives, provider education opportunities, and program reminders. Bulletins can be found on the [IHCP Bulletins](#) page at [in.gov/medicaid/providers](http://in.gov/medicaid/providers). Archived banner pages will remain on the [IHCP Banner Pages](#) page at [in.gov/medicaid/providers](http://in.gov/medicaid/providers).

In correspondence with the migration to one publication type, the IHCP will be revamping the IHCP Update email. The IHCP will be sending one update email per week on Fridays. This IHCP Update email will still include updates made during the week to code tables, provider reference modules, companion guides and the website. News announcements and links to each bulletin published will also be included. In addition to the bulletin link and title, providers will now see which provider types each bulletin is applicable to.

To receive IHCP Update emails, subscribe by signing up at the bottom of the [IHCP provider website](#) or on the [Email Notifications](#) page at [in.gov/medicaid/providers](http://in.gov/medicaid/providers).

The IHCP hopes these communication updates alleviate provider confusion about publication types, references and applicable audiences.
