## OMPP requests participation in an MCE and hospital engagement survey by July 31

As part of an external quality review process to assess healthcare delivery and outcomes, the Office of Medicaid Policy and Planning (OMPP) invites hospital leadership to participate in a survey regarding your engagement (for example, interaction) with managed care entities (MCEs), also referred to as health plans.

This survey gathers information about ownership arrangements between hospitals and MCEs, as well as your perspectives on engagement between hospitals and MCEs. Your insights are crucial to understanding and enhancing how these dynamics impact and improve patient outcomes.

The OMPP encourages all hospitals to participate in this voluntary survey, which will take less than 20 minutes to complete. Please submit your responses by July 31, 2024. Thank you for your time and participation.

Please complete the [MCE and Hospital Engagement Survey](https://mslc.qualtrics.com) at [mslc.qualtrics.com](https://mslc.qualtrics.com).

If you have any questions or require assistance while completing the survey, please contact Catherine Snider, director, with Myers and Stauffer at: [csnider@mslc.com](mailto:csnider@mslc.com).
