## IHCP to remove prior authorization requirements from audiology procedure codes 92607 and 92608

The Indiana Health Coverage Programs (IHCP) will remove prior authorization (PA) requirements from the Current Procedural Terminology (CPT<sup>®1</sup>) codes in Table 1, effective for dates of service (DOS) on or after Jan. 10, 2026.

PA will continue to be required for the augmentative and alternative communication (AAC) devices themselves. For more information about requirements for these devices, see the [Durable and Home Medical Equipment and Supplies](#) provider reference module at [in.gov/medicaid/providers](https://in.gov/medicaid/providers).

This change will be reflected in the Outpatient Fee Schedule and Professional Fee Schedule, accessible from the [IHCP Fee Schedules](#) webpage at [in.gov/medicaid/providers](https://in.gov/medicaid/providers).

*Table 1 – Evaluation with prescription of speech-generating and alternative communication device procedure codes no longer requiring PA, effective for DOS on or after Jan. 10, 2026*
