INDIANA HEALTH COVERAGE PROGRAMS

BT202616 JANUARY 22, 2026

## IHCP corrects rates for certain MRO services

The Indiana Health Coverage Programs (IHCP) identified incorrect rates for two Medicaid Rehabilitation Option (MRO) services billed with these procedure codes and modifiers:

- H0031 HW – *Behavioral Health Level of Need Redetermination*
- T1016 HW – *Case Management*

These MRO services should not have received rate changes. H0031 HW was incorrectly updated effective for dates of service (DOS) on or after Jan. 1, 2024, and then again for DOS on or after Jan. 1, 2025.

T1016 HW was incorrectly updated effective for DOS on or after Jan. 1, 2025.

### Correct rates

The correct rates for the MRO services are as follows:

- H0031 HW – \$77.72 for DOS on or after **Jan. 1, 2024**
- T1016 HW – \$14.53 for DOS on or after **Jan. 1, 2025**

H0031 HW and T1016 HW have had rates rolled back to the correct rates, and claims will be mass adjusted or reprocessed.

Providers can expect to see adjustments on remittance advices (RAs) beginning Feb. 25, 2026, with internal control numbers (ICNs)/Claim IDs that begin with 52 (mass replacements non-check related) or 80 (reprocessed denied claims).
