IHCP reminds providers about changes to site-of-service adjustments

In *Indiana Health Coverage Programs (IHCP) Bulletins* [BT2024159](#) and [BT2024203](#), the IHCP announced and reminded providers about the changes to physician site-of-service policies to coincide with the January 2024 Office of Medicaid Policy and Planning (OMPP) Healthy Indiana Plan (HIP) Rate Equalization Project.

Table 1 reflects the changes made to site-of-service adjustments for the fee-for-service (FFS) delivery system.

For FFS claims, these changes are effective retroactive for dates of service (DOS) on or after **April 1, 2024**. For managed care entities (MCEs), these changes were effective for claims with DOS on or after **Jan. 1, 2024**.

As a reminder, IHCP physician rates have been aligned with 100% of the prior year's Medicare rates, as published in *IHCP Bulletins* [BT2023149](#), [BT2023150](#) and [BT2023172](#). For DOS on or after Jan. 1, 2026, the IHCP is using the 2025 Medicare practice expense (PE) relative value units (RVUs).
