IHCP corrects pricing for certain laboratory codes

The Indiana Health Coverage Programs (IHCP) has identified a pricing error affecting certain Current Procedural Terminology (CPT^{®1}) laboratory codes. These rates have been corrected (see Table 1) and are effective retroactively for dates of service (DOS) on or after **Jan. 1, 2026**.

The claim-processing system has been corrected. Claims that were paid at an incorrect rate for DOS on or after Jan. 1, 2026, through Jan. 17, 2026, will be mass adjusted. Providers should see adjusted or reprocessed claims on remittance advices (RAs) beginning March 25, 2026, with internal control numbers (ICNs)/Claim IDs that begin with 52 (mass replacements non-check-related) or 80 (reprocessed denied claims).
