

INVEST IN YOUR FUTURE

with Indiana's Individual Development Account Program

WHAT IS AN IDA?

An **IDA** or **Individual Development Account** is a four-year, matched savings program designed to assist individuals in achieving self-sufficiency through financial literacy and asset generation.

For each dollar you save, up to \$300 a year, the State of Indiana will match it with three dollars. This means, if you successfully save \$300, then the State will match it with \$900, totaling a combined savings of \$1200.

Maximum Program Balance (4 years) = \$4800

HOW CAN I USE THE MONEY?

You can use your combined IDA savings to:

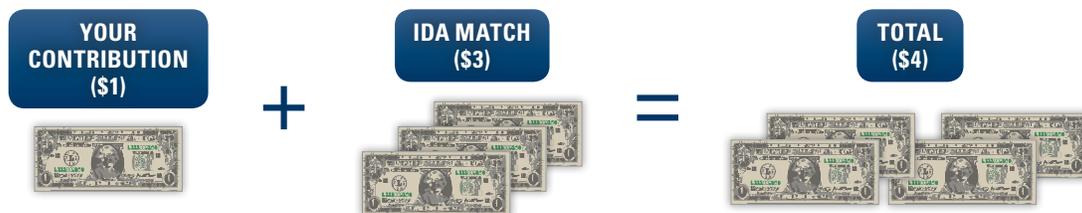

Buy a home

Further your education or enroll in a job training program

Start or expand a small business

HOW DO I GET INVOLVED?

To apply to be a participant in Indiana's IDA Program, please contact your local administering agency.

Once enrolled in the program, you'll work with an IDA Administrator to develop a savings plan, enroll in Financial Literacy Training and open a savings account.
