Re: Ramp Up Indiana

Notice: RED-16-18

IHCDA is pleased to announce Ramp Up Indiana, a new initiative to increase the accessibility of homeowner housing in Indiana by providing CDBG-D grants for ramp construction / installation.

Eligible applicants are non-profit 501(c)(3) or (c)(4) organizations that can demonstrate an established organizational mission or focus related to serving the housing needs of persons with disabilities. Eligible applicants may request up to \$25,000 through the Ramp Up application process.

Information about program requirements, eligible activities, and the application process can be found in the Ramp Up Indiana 2016 Program Policy. The policy and additional resources are available on the new [Ramp Up Indiana webpage](#).

On April 4, 2016 at 2:00 p.m. EDT, IHCDA will host a webinar to provide a program overview for interested partners and to answer questions. The webinar is free but requires [registration](#).

Questions about Ramp Up Indiana can be directed to Matt Rayburn, Deputy Executive Director and Chief Real Estate Development Officer via mrayburn@ihcda.in.gov or 317-233-9564.
